REPORTS

THE BAPTIST FOUNDATION

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to participate in during the past year. This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Right many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation, Inc.

BIBLICAL RECORDER

Many important issues are facing North Carolina Baptists. Churches are making decisions on the Life and Work Curriculum, especially whether to use the Life and Work Sunday school lessons or the Uniform Lessons. For a period of at least six months, the RECORDER will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of almost every institution we support. In the near future Baptists will have to decide our future course in higher education and in our Social Service institutions, especially in view of increased government participation in these areas. The RECORDER will present the issues and possible choices open to us.

In the Southern Baptist Convention, there is talk of a name change. The work of our Baptist colleges is being studied as never before. A great Crusade of the Americas is in the planning stages. All of us need to know about these developments.

In addition to issues within our own denomination, new and disturbing clouds are on the horizon elsewhere. Talk of a New Morality, the so-called Death of God Movement, and the drastic changes in young people's attitudes toward the church are being widely discussed. Christians need to be informed on these trends.

A drive is taking shape in North Carolina for liquor-by-the-drink. The 1967 General Assembly will consider such proposals and Baptists need a dependable source of information so they can act when necessary. The RECORDER will give on-the-spot coverage.

Instead of merely receiving this as a report, please take definite action to see that the RECORDER soon goes to every family in your church membership. All of us know that the RECORDER is just as important as other literature which our churches distribute, if not more so. No other publication can take the place of the BIBLICAL RECORDER.

In these inflationary times, it is refreshing to have something that is not out of reach financially. Under the Church Budget Plan, the RECORDER is available for $2 a year — the same price it was more than 100 years ago. Your church will be a stronger church with every family receiving our state paper each week. Don't delay this important decision, especially in view of the issues facing North Carolina Baptists in the coming year.

Respectfully submitted,

J. Marse Grant, Editor

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Association.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonable good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you for help.

Respectfully submitted,

William Poole, Gen. Supt.
Ralph Nix, Associational Rep.

ANNUITY BOARD

The Southern Baptist Protection Plan

For the first time in two years, all ministers who are not enrolled in the Southern Baptist Protection Plan are being informed about its benefits. A direct mail campaign has been conducted to give ample information to prospective ministers in each state convention.

The Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary, and is 10 per cent of any amount up to $4,000 a year. The minister's church is encouraged to pay the total cost. In some cases the minister and church share the cost. The maximum amount a church can pay in the basic plan is $400 a year if its minister is under 60 years of age.

The Health Benefit Plan

Enrollment has reached 10,054 in the Health Benefit Plan. During the past year promotional emphasis has been placed on this plan.

The Health Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis. The next enrollment will be open early in the fall with the deadline on November 30, 1966.

Benefits Paid

In 1965, almost $4 million was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program. The annuitants' checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid.

Since the beginning of the Annuity Board in 1918, almost $51 million has been paid out in benefits which annuitants have termed "manna from heaven."

Members in Annuity Board Plans

Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches are paying the 10 per cent dues.

There are 135 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other Convention agencies who have protection programs with the Annuity Board. There are more than 28,000 members in the retirement plans of the Annuity Board.

There are seven states with 70 per cent or more of the churches in the Program. At present, North Carolina has 48 per cent of the churches in the Protection Program for ministers.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars ($315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

BROTHERHOOD REPORT

During the past year we have endeavored through our quarterly programs to set forth the best methods for carrying on Brotherhood work and also to increase interest in our work on the Foreign Mission fields. Strong emphasis has also been placed on our work with the Royal Ambassadors. Our hope for the future is in the boys and we can't afford to let them down. We have a great asset in Camp CaRAway. Brother Bill Jackson is devoting full time to the Royal Ambassador work, and to the developing of Camp CaRAway, which is fast becoming one of the outstanding boy's camps in America.

In addition to what has been accomplished in the past we hope to encourage the men of our churches to commit themselves more fully to evangelistic work here in our Association.

TRAINING UNION

The Training Union held all the required meetings, participated in activities throughout the association, and was standard again for another year.

Our attendance at our "M" Night meeting was 1,112. This placed us second in the state.

We were represented in all of the tournaments at the Regional Convention at Hazelwood. Lynae Cline of Merrimon Avenue Church was regional winner and participated in the Intermediate Sword Drill at the Youth Convention at Shelby. Mrs. Mac Jamison of Riverside Church was regional winner and participated in the State Adult Scripture Reading tournament at Fruitland.

Our Youth Night meeting was held at the Swannanoa Church. A most interesting program was enjoyed by all.

We are planning District Training Schools to teach the new leadership manuals that have been published recently. A training school was held in the Mount Carmel district in July. Four others are planned during the month of October with two districts meeting together in each of these.

Educating ourselves and preparing for a greater work through the Training Union will be our emphasis during the coming year. We shall do this through our district training schools.

Respectfully submitted,

Mrs. Orville Myers, Director

LIBRARY REPORT

We are glad to report that the Book Ministry in Buncombe Association has progressed very nicely during the past year, with several new libraries started. We have now reached our fifty churches with libraries in our association, which is more than half of our ninety three churches. Others are interested and will fall in line in the near future.

We have been able to help start two new libraries outside our association. One in Yancey and one in Henderson Association, also help set up a new library in Faith Cottage for unwed mothers.

On the 28th of February of this year Dr. Harold Ingraham, for 43 years with the Sunday School Board and Library Service Department retired. We were asked, together with all other associations, to help reach 1500 church libraries in Southern Baptist Convention in Dr. Ingraham's honor. We accepted this challenge and went over the goal.

The State Library Convention met in Raleigh this year on April 22 and 23. The convention has been taken into the Sunday School Board, a branch of the N. C. State Convention, and will meet in Raleigh, Charlotte or Ridgecrest in future years where they have book stores. Our next meeting will be at Ridgecrest in 1967.

The Library Conference Week this year at Ridgecrest will be August 25 - September 1st and we urge all librarians to attend this conference. The best library training that a librarian can obtain free will be during this time. We also suggest that all librarians attend the quarterly library meetings for help in this work, information, inspiration and fellowship. "Where there is unity there is strength."

According to J. Edgar Hoover, sex mad books and magazines are creating criminals faster than jails can be built to house them. It is also said by 1970 there will be 40 million delinquent children between the ages of 10 and 19 and seriousness of crime will increase notably. God forbid. If the present trend continues by 1970 there will be 300,-000 children born out of wedlock.

Wake up librarians and look upon the field white unto the harvest. Recognize your opportunity to help stem the tide by joining hands and help save the children and young people of our Association and Western North Carolina.

It would be better for him that a mill stone hang about his neck and be cast into depths of the sea than to offend one of these little ones.

MUSIC COMMITTEE REPORT

With the Associational Music Director serving as chairman, the Associational Music Committee attempts to develop an associational music education program that can benefit every church, encourage the development of a music ministry in each church, set the dates and promote festivals, hymn sings, schools of music, and other activities, and works closely with the State and Convention-wide Music Department, coordinating their activities with Associational plans.

During the past year the following activities were sponsored by the Music Committee:

The Associational Music Director attended the Associational planning meeting in Winston-Salem, and conducted our own planning meeting the following month.

The Associational Music School was held at the First Baptist Church of Asheville the week of October 18, with a large faculty from our association, and Mr. Don Brakebill from Maryville, Tennessee as the visiting faculty member.

On November 15 members of the Associational Music Committee attended the State Music meeting preceding our State Convention in Charlotte.

An Associational Christmas Carol Sing was held at Westgate December 22.

The Regional Choir Festivals for Junior, Intermediate, Youth and Adult choirs was held at First Baptist Church of Asheville on February 28 and Hominy Baptist Church March 1. The majority of the churches attending were from our association, and most of these went on to the State Festivals at First Church Asheville, and Wake Forest College.

In addition to these special meetings, the Committee arranged special music and leadership for the annual Associational meeting, and other mass meetings during the year.

The Music Committee met periodically throughout the year for planning, and to discuss how we might help to improve the quality of the music in the churches of our Association. We urge that each church initiate a local training program during the coming year, either with music classes or a local school of music. We hope, too, that even more of our churches will participate in the Regional and State Festivals, and will sponsor attendance at the Music Leadership weeks at our State and Southwide assemblies.

Respectfully submitted,
Carl Perry
Associational Music Director

WOMAN'S MISSIONARY UNION

The Woman's Missionary Union of Buncombe Association has sought during the year 1965-66 to cooperate with the other organizations in helping the church fulfill its mission through proclamation and witness.

As we glance back into the fall program we see that twelve associational workers (including the Executive Board and four specially invited ones) attended the workshop at Fruitland, September 10-11, and led conferences on October 16 at the Leadership Clinic at the West Asheville Church. Nearly 200 local leaders attended this meeting. Also in October two nights were given to teaching the SMS, GA, and SB Leadership Courses. Mrs. John Knight, Mrs. Lynn Buckner and Mrs. Charles Cobb were the teachers of these classes which concluded on November 1.

A most helpful mission study institute under the direction of Mrs. Paul W. Jones was held January 17. Mrs. Cecil Perry led the women preparing to teach the book, "Panama, the Land Between". Mrs. Clara Henderson was in charge of the YWA book; Mrs. W. T. Hodge, the two GA texts; and Mrs. Don Clonninger, the Sunbeam book.

The president and youth directors received much information and inspiration from the State WMU Convention in Raleigh, March 15-17. During the year Mrs. Usher and Mrs. Buckner have met quarterly with the State WMU Executive Board and helped in setting policies and making plans for the North Carolina WMU.

Our April meeting was a joint one with the other associational departments at which time the Five Year Spiritual Growth Program was launched by state personnel at the Calvary church.

The annual meeting on April 25 proved to be quite an outstanding event at the Merrimon Avenue Church from 5 till 9 o'clock. Miss Martha Franks of Laurens, S. C., and Miss Olive Lawton, Ridgecrest were the "twin Missionary" speakers. Both served in China and Taiwan for more than 40 years before retiring in February, 1966.

The July meeting took the form of a prayer retreat directed by Mrs. Bill Bumgarner. This was an evening of inspiration to all who attended.

A scholarship of $150.00 was granted to Rev. Edgar Yarbrough, Ministerial student at Fruitland. (Mr. Yarbrough is now pastor of the Buckeye Church). The WMU contributed $100.00 toward VBS work last summer. A contribution to the Lottie Moon offering was made to Morningside Church in memory of Mrs. John Crenshaw, long time community missions director. The offering of $77.54 received at the annual meeting is being used for Interracial Work. All special offerings showed an increase over the previous year.

Reports from district leaders and others working on "Operation 100%" are encouraging. It is hoped that many new WMU organizations will result from efforts to reach each of the 40 WMU-less churches in Buncombe Association.

Respectfully submitted,

Mrs. A. T. Usher

ORDINATION COMMITTEE REPORT

The Ordination Committee of the Buncombe Association has been called together three times during the past year to question, advise and counsel with young men who had felt the call of God to enter the Gospel ministry.

On November 23, 3 p. m. at the Grace Baptist Church the Ordination Committee was called together to examine Brother Edgar Yarbrough, who had been called to the pastorate of the Buckeye Baptist Church, Swannanoa. After thorough consideration it was voted to recommend that the Grace Baptist Church proceed with the ordination of Brother Yarbrough.

On March 12, 2 p. m. at the First Baptist Church, Asheville a meeting of the Committee was called for the purpose of counseling with Brother Charles Melvin Rector who had been called to the Bee Tree Baptist Church, Swannanoa. After full discussion it was voted to recommend to the Victory Baptist Church that they proceed with the ordination of Brother Rector.

The Ordination Committee convened at 2 p. m., Saturday, May 14, 1966 at Biltmore Baptist Church for the purpose of questioning two young men. The two men were Gayle Brown of Louisville, Kentucky, formerly of the Biltmore Baptist Church, Asheville, and also Brother David Todd, pastor of the Mountain View Baptist Church in Black Mountain, N. C. The Committee questioned them about their Christian experience, call to the ministry, cardinal Biblical doctrines and their belief in our Baptist work. After thorough questioning the committee recommended that these two young men be ordained by their respective churches requesting their ordination.

EXECUTIVE COMMITTEE REPORT

The Executive Committee met in a called meeting October 25, 1965 at the Biltmore Baptist Church. At this meeting it was voted to pay Mrs. Alcovia McCall $25.00 a month to direct interracial Work, and to pay up to $50.00 on the expense of moving her trailer from Brevard to Asheville. This amount to be taken from the Vacation Bible School budget item. This work to be in cooperation with the Baptist State Convention of North Carolina and the Mud Creek Baptist Association. Another meeting was called November 30, 1965. Applications for pastorial aid from the Baptist State Convention for Grove Stone for $432.00 and Lakewood for $1200 was approved. A committee to dispose of the State Street property was appointed with a request that the State Street Church be given priority to buy. The committee was Rev. M. D. Smith, Chairman, Rev. Howard Laney and Rev. E. V. Plemmons. A committee to explore all possibilities for buying or building an office was approved. MISSIONARY'S REPORT

As we come to the close of our 85th year in the Buncombe Association, we say thank you to all who have taken part in the work, and given so generously of time and possessions. We have had a good year. There seems to be a fine spirit of cooperation and harmony among the pastors and churches. The work at the Craggy prison is still being carried on by the Brotherhood. The Baptist men are organizing for a great evangelistic thrust beginning now in the churches and leading up to a 10 day association-wide evangelistic campaign in the city auditorium in October of 1967.

The interracial work in the association headed by Mrs. Alcovia McCall who came to us this year, is moving along beyond our expectations. She has had eight fine college students working with her in Vacation Bible School and youth work this summer. Almost every Negro church has been in the program.

In our Sunday School Enlargement Campaign, we had 45 churches participating with an enrollment of 8,647. More than fifty leaders from across our Convention came to help us.

A greater percent of the offering plate dollars is going for missions. May the day soon come when every church will have a part in the world wide program of Jesus. . . . The Cooperative Program.

Below is a brief report of my activities the past year:

ANNUAL REPORT OF THE AUDITOR TO THE BUNCOMBE BAPTIST ASSOCIATION — YEAR 1965-66

The annual audit of the books for the Buncombe Baptist Association has been completed, and the records are found to be in order and correct. Receipts and Disbursements have been properly accounted for, and appropriate reports to the Association in connection therewith have been prepared.

Receipts were checked as entered in the Cash Receipts Journal with the bank deposits and have been credited to the appropriate ledger accounts. Receipts for the year from each Church have been properly accounted for, and are correctly reported to the Association.

Disbursements have been made in accordance with the adopted budget, and are properly accounted for in the Cash Disbursement Journal, ledger accounts, and checkbook. Bank statements have been balanced each month and the balance of the account verified as of the end of the fiscal year. The report of cash disbursements to the Association has been checked and is correct. The savings account balance has been verified.

Respectfully submitted this 9th day of August 1966.

T. Cecil Tallent

COOPERATIVE PROGRAM

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation.

Several associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records our association gave a total of $274,688.00 this past year through the Cooperative Program. Twenty-seven churches did not share in world missions through the Cooperative Program.

With enthusiasm let us be faithful in worshipping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.

2. That we engage regularly in prayer for Cooperative Program causes and give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis.

3. That the churches give regularly through the Cooperative Program.

Wm. A. Snyder, Representative

HISTORIAN REPORT

The church letters for our associational report for the year ending June 30, 1966 have many things of both interest and deep concern. Certainly growth, both numerically and spiritually are of utmost importance. We are also glad to note physical improvements to the many church plants. However enrollment, attendance, baptisms, gifts to our Cooperative Program and other missions could be increased. The more than 6000 non-resident members should also be of deep concern as to their spiritual condition and their loss to the Kingdom of God.

About ten letters had not been received so that we are not able to give a complete report. However, of all the letters recived, only two failed to report gifts to some mission object but we were sorry to note that sixteen of our churches did not make a contribution to our Cooperative Program which supports our great mission work.

We are glad to note an increase in baptisms over the number reported last year and trust this is an indication that our churches are becoming more concerned in reaching the lost.

It is certainly encouraging to see the number of churches in our association who have undertaken building programs during the past year. The value of church property in our association is moving toward the ten million dollar figure and the present indebtedness is less than two million with thirty-three churches reporting all indebtedness paid.

Seventeen of our churches reported that they either used the Forward Program or the Growth of Christian Stewardship in their budget promotion, yet the majority of our churches reported that they did not use any plan. It is certainly worthy of note to see that approximately 5000 tithers were reported by our churches and that we gave almost a half million dollars to missions last year while spending 1½ million on local expenses.

The eighty churches reporting, each reported having a Sunday school, 52 reported a Training Union, 57 reported a W. M. U., 40 reported a Brotherhood and or RA, 71 reported a Vacation Bible School, and 58 reported a Music Ministry.

The following churches reported items of Historical interest: Bee Tree called Rev. Chas. Rector as pastor; Bingham Heights added 4 new class rooms, a nursery and 2 rest rooms; Black Mountain First purchased a new parsonage; Buena Vista purchased additional property and built a baptistry; Calvary built a room with shelves, cabinets

and other equipment to relocate their library with over 1500 books. Dedication services will be arranged later. The stoker fired furnace for the main building has been replaced with an oil furnace; Chestnut Grove received new pews for their church; Emma's Grove erected new steeple on their church; Grace adopted plans and began construction of new parsonage at approximate cost of $25,000.00; Hominy paved church parking lot; Liberty called Harold Redmon as Music Director; Merrimon Avenue purchased lot for parking area; Mr. Carmel completed and paid for their new educational building, also dedicated their new sanctuary (seating capacity 486) which cost $95,000.00 including the organ; Morningside held dedication service for Communion Ware in memory of Mrs. Emma Crenshaw, founder of the church; Newfound dedicated their new educational building; New Morgan Hill dedicated their new organ; North Black Mountain built 3 new class rooms sponsored by the young peoples class; Pleasant Hill started a building fund for new church building; Ridgecrest reported renovation of their sanctuary; Ridgeway worshipped in their new sanctuary in October and had dedication service in November; Starnes Cove purchased new parsonage and paved church parking lot; Sunrise paid debt on parsonage; Swannanoa First started new educational building; Vance Avenue (Black Mtn.) installed a new furnace; West Asheville air conditioned their auditorium, extended the balcony and began construction of new addition to present plant; and Zion Hill reported debt paid on their parsonage.

John L. Lawrence

SUNDAY SCHOOL REPORT

Highlight of our year's work was the Simultaneous Associational Worker Led Sunday School Campaign which took place in March. It included a census in many church fields.

Motivation, inspiration and instruction characterized teaching sessions for pastors and workers and the evening sessions in the church.

Your associational Sunday School organization had the expert help of North Carolina and Sunday School Board workers in meetings preparatory to the March Campaign. Our clinic for Vacation Bible School workers was well attended and most helpful to this phase of our work.

We recommend for the coming year the following:

1. That every church be encouraged to request help of associational officers in their Sunday School work as needed.
2. That goals for the coming year be set as suggested in the Five Year Spiritual Growth Program.
3. That suggestions included in the Church Growth Plan be followed if at all possible. This adult Sunday School centered emphasis has support from other church organizations.
4. That every church plan a meaningful and vital Sunday School Leadership Preparation Week.

Campbell College	$ 225,850
Chowan College	135,240
Gardner-Webb College	128,478
Mars Hill College	194,746
Meredith College	194,746
Wake Forest College	331,338
Wingate College	142,002
TOTAL	$1,352,400

The above figures represent the Cooperative Program income budget for the Council on Christian Education and the seven North Carolina Baptist colleges for 1966. In addition to this, each college will share in an anticipated Cooperative Program overage of approximately $120,000. For 1966 the Cooperative Program income for the seven Baptist colleges represents an endowment in excess of $35,000,000. **This guaranteed annual income is an important factor in maintaining accreditation.** The Cooperative Program has been called the lifeline for the North Carolina Baptist colleges. An advance for the Cooperative Program is always an advance for Christian higher education.

There is no way of estimating the contribution to the churches and to our State and Nation of our colleges. You will be interested to know how many students have graduated.

Campbell College	7,313
Chowan College	3,391
Gardner-Webb College	2,804
Mars Hill College	7,446
Meredith College	5,075
Wake Forest College	14,884
Wingate College	7,100
TOTAL	48,013

This means that our schools, in addition to the large number of students they have had that did not graduate, have graduated 48,013.

We regret that Dr. Hoyt Blackwell of Mars Hill, Dr. Carlisle Campbell of Meredith, and Dr. Leslie Campbell of Campbell, have reached retirement age. We pray God's continued blessings on these noble servants of the Lord. Two of these colleges have already chosen new presidents. Dr. Fred Bentley has come to Mars Hill from the University of Louisville, and Dr. Bruce Heilman has come to Meredith from Peabody. These men may be assured of our full support.

We feel sure that the majority of our churches have made fine progress with increased enrollment in their various organizations, more baptisms and larger gifts to our cooperative program for world-wide missions.

Only two churches report being without a pastor at the close of the year — Bald Mountain and North Black Mountain. Rev. E. F. Baker is serving as interim pastor at Kerlee. The following have assumed pastorates in our Association during the past year: Revs. Lester C. Boyd at Antioch, Troy Lunsford at Bee Tree, Vardis L. Raines at Berea, Edgar E. Ferrell, Jr. at First Church Black Mountain, Ray Billings at Edgewood, Weldon W. Johnson at Haywood Street, Lloyd Ponder at Maple Ridge, Neal E. Eller at Mt. Carmel, Paul Justice at New Bridge, J. L. Blankenship as Associate Pastor in May, 1967. Emma's Grove reports that blueprints have been completed for a new educational building. Oakley Baptist Church has completed plans and are selling bonds to construct a new educational building at a cost of $150,000.00 Paint Fork Church gave to the need in their community over $500.00. Sand Hill reports a new educational building. Skyland has a new parsonage. Starnes Cove has equipped their kitchen. Swannanoa First had a community Thanksgiving service Nov. 23, and also held a dedication service for their new educational building. COOPERATIVE PROGRAM REPORT FOR 1967

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question — What is the Cooperative Program? — is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad — it's preaching the gospel — it's healing in the name of Jesus Christ through hospitals and clinics everywhere — it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . .!"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,638, we had a total of $8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available our association gave $275,054 during the last year for World Missions through the Cooperative Progam.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That special emphasis be given to prayer for Cooperative Program causes during October.

(3) That each church give regularly through the Cooperative Program.

(4) That in response to the special call of the General Board of the Baptist State Convention we increase our Cooperative Program giving by at least 10% during the coming year.

Respectfully,
Charles W. Smith, Representative

REPORTS

MISSIONARY'S REPORT

For eighty six years a small group of churches have been united in an effort to carry out the total program of Jesus. We come to the close of this year with 94 churches in our Association with over 32,000 members. Our total contribution for this year is over two million dollars.

From the reports of the churches I find most of them are contributing to missions. If we are to have a strong association, the churches must be made strong. They must plan together for the mutual good of all. The community at large will recognize us for our togetherness. Our Association must be bound together by many ties that grow out of our beliefs, traditions and our sense of cooperate responsibility.

As we face the future I would make three recommendations:

1. That 1968 be a year when the emphasis be placed on stewardship. That stewardship clinics and deacons' schools be held in the churches and districts of our Association. That we call our people to a total commitment to the Lordship of Jesus.
2. That we join in the Crusade of the Americas in 1969 using the date of April 6-20 in our Association.
3. That we have a School of Missions September 14-19, 1969, bringing into our Association missionaries from all our mission fields. We would join the four small associations west of us. They would have their school the week preceeding ours. We will share the expense of transportation.

Following is a report of my activities for the Associational year:

Sermons preached	81
Prayer meetings conducted	16
Committee meetings	39
Prison visits	30
State VBS Clinic	3 days
Study Courses taught	8
S. S. Enlargement campaigns	2
Home Mission Conference — Ridgecrest	
Revival	1

ASSOCIATIONAL BOARD AND EXECUTIVE COMMITTEE REPORT

The Associational Board met in regular meeting July 18, 1966. Reports were heard, and the proposed budget for the coming year, amounting to $22,000, was reviewed and recommended for approval at the annual session. It was voted to pay $30.00 a month rent for office space to the Pipes' while using their apartment.

At the regular meeting of the Associational Board, October 17, the regular reports were heard. Pastoral aid in the amount of $316.80 was apppoved for the Grove Stone Church. It was also voted to install two phone lines into the new office.

An Executive Committee meeting was called November 21, 1966. The purpose was to review the progress of the new building and decide on how to finance the additional amount needed. It was voted that the Finance Committee be authorized to make necessary arrangements for the balance needed for finishing the grounds, buying furniture and paying the balance on the building. It was suggested that an amount of $750.00 could be obtained by selling Church Bonds, which were held as security on the Anderson Cove building and were past due (this amount to be replaced as surplus permitted to Mission Account). Pastorial aid for the Lakewood Church was approved. It was voted also that the Chairman of Building Committee, Rev. John Grant, with his committee and the Associational WMU be responsible for arranging a dedication program and open house.

The Associational Board met in regular session January 16, 1967. Regular reports were heard. Announcement that the dedication and open house for the new office would be February 5, 1967. Dr. Howard Ford would speak at West Asheville Church and then move to the new building for open house. Resignation of Rev. John Knight as Chairman of Missions Committee was accepted.

The Executive Committee met in called session June 5, 1967. It was voted to pay Rev. W. G. Russell $60.00 per month for the work of the Hospital Chaplain. Brother Russell was elected to fill the place vacated by Rev. J. C. Pipes. It was also voted to request the Budget Committee of the Association to include this item in the Associational Budget, and request the churches to send their contributions to the Associational Treasurer. It was voted that the Finance Committee be given the authority to go ahead with the paving of the lot around the office and to accept one of the three bids submitted.

John Grant, Moderator

MUSIC COMMITTEE REPORT

The Associational Music Committee attempts to develop an associational music education program that can benefit every church, encourage the development of music ministry in each church, set the dates and promote Festivals, hymn sings, schools of music and other activities and works closely with the State and Convention Music Departments, coordinating their activities with Associational plans.

During the past year the following activities were sponsored by the Music Ministry:

Representatives attended the Associational Planning meeting in Winston-Salem and a planning meeting was held here the following month.

A "Carol Sing" was held at the Asheville City Auditorium early in December featuring Youth and Junior Choirs from the Churches throughout our Association. Mr. Bill Leach, Editor of Junior Materials of the Sunday School Board, was the guest director. The Handbell Choir from Hickory First Baptist was also a featured guest. Mr. David Byler, director.

There were some 700 participants in the two choruses with an estimated attendance of 1250.

The Associational Music Committee arranged for a chorus at both "M" night and Youth Night in our Association.

The Regional Choir Festivals were held at First Baptist Church in Asheville and Hominy Baptist Church. The majority of those attending were from our Association. Most went on to the State Festival. Juniors went to Mars Hill College and the Youth Choirs went to Mars Hill or Wake Forest College.

The Music Committee meets regularly on the second Tuesday of each month to plan and discuss the music ministry in Buncombe Association.

We would like to pay tribute to Mr. Carl Perry who served as our Associational Music Director for several years and has given excellent leadership in our committee. Mr. Perry now serves First Baptist Church of Knoxville, Tenn.

In addition to the above many of our churches enjoy taking their Junior and Youth groups to our State and Convention Assemblies for Music Week.

Respectfully submitted,
Al Mellnik, Member
Music Committee

TRAINING UNION REPORT

The Training Union ministry has a three-fold purpose — church member training, church leader training, and new church member orientation. Our emphasis for the year was teaching the new Training Union Leadership Manuals through district training schools. We had six of these training schools with an enrollment of 662. The participation and good reports from our district training schools were most encouraging. We trust this will become an annual event with all of our districts as it has been with some of them.

We had an attendance at our "M" Night meeting of 703. There were forty-seven churches represented with thirty-six pastors and thirty-three directors present.

We met with Ridgeway Church for our Youth Night meeting. We had an attendance of 218. The Young People's Speakers' Tournament was a feature of this meeting. Carol Clark from Asheville First Church and Douglas Hughey from Riverside Church were the winners. They

later won the regional tournament and spoke at the State Youth Convention in Boone.

There were thirty-one juniors from seven churches who were winners in the Associational Junior Memory Work. Becky Lawence from Merrimon Avenue Church represented our Association in the Regional Sword Drill. Mrs. Thad Dowdle repesented our Association in the Regional Adult Scripture Reading and Mrs. Earl Briggs was alternate. We hope that in the coming year more of our Training Union members will participate in the tournaments.

During the past year we have sought to assist the churches in our associational conferences and in individual churches as much as possible. We desire your cooperation and prayers as we endeavor to serve you.

Mrs. Orville Myers, Director

BROTHERHOOD REPORT

The Buncombe Baptist men have worked well together during the past year, putting emphasis mostly on witnessing.

Many times we have come together for early morning breakfast meetings, reaping a great benefit from outstanding speakers and Christian fellowship.

The prison work is going well. In addition to the Sunday school class that meets at 9:30 on Sunday morning, the men of their own accord have started a mid-week prayer meeting which is proving most interesting. We have professions of faith from time to time and testimonies every Sunday morning. The families of the men are also administered to in an effort to meet their material needs and also interest them in a neighboring church.

Our most fruitful experiences have come from the laymen-led revival meetings. Five have been conducted so far and three more are planned for the next three months. The laymen are also taking a very active part in the preparations being made for the Area-wide Revival to be held at the City Auditorium October 1-10, 1967, with Dr. C. W. Autrey as Evangelist.

Respectfully submitted,
Bert Starnes, President

LIBRARY REPORT

Let's take a look at ourselves as librarians. Are we Christians enough and willing to sacrifice and work to succeed in this book ministry?

We have a task which takes courage and faith in ourselves and in our Lord. Some will say that sounds good, but I am afraid I cannot do it.

Now you are letting fear take the place of love, love for people and love for books when you say that.

To succeed in this ministry it will take team work, do not try to do it alone. Get help. Let us help you and ask the Lord to help us. Without Him we cannot succeed.

We can do all things through Him who strengthens us. A teaching church needs a library because its the resource center of the church where good books can be found for reading and helps to mold our thinking. Also where helps can be found for Sunday school teaching. Training Union programs, assembly programs, in fact helps for all organizations of our church. Magnify your library work with enthusiastic work that the Lord has called us to do. He calls us as librarians the same as He calls missionaries and ministers to do His work.

He wants us to know people and books so we can place the proper books in the hands of those who need help. We never know what book or subject will cause a person to realize the need for a Saviour and that's the reason for this library ministry.

Let's take a second look at ourselves to see if we have done our best. (We have not) but let us dedicate ourselves to this job and do our best for the Lord. Where 2 or 3 have gathered together in His name He will be in the midst and help us. Fifty churches have librarians, but there are forty three churches in Buncombe Association without libraries. They need help. Who will be first, second and third to start libraries in the church year 1967 and 1968?

Respectfully submitted,
M. H. Cox, Associational Librarian

BAPTIST FOUNDATION REPORT

This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

It will be our purpose to have a representative in all the Associational Meetings to bring a last minute report on both the work of the Foundation and the condition of our fine leaders. Certainly all of us will continue to remember them in our prayers and best wishes.

Ollis Revels
Associational Representative

SUNDAY SCHOOL REPORT

The Sunday school workers have agreed to attempt a new plan of Associational Sunday school work. We have not been able to accomplish what we feel we should because of the poor attendance at the meetings. If the people will not come to us, then we will go to them. We plan to go to every church that invites us if time will allow. If you invite us we will bring all the Sunday school leaders to your church and conduct a conference for each department for one night. We believe that, though your Sunday school workers will not attend an associational meeting, they would attend conferences in their church.

We are planning only two associatioal meetings this year, Vacation Bible School clinics and Action Night.

I am sure God has great things in store for us.

Respectfully submitted,
Howard Laney, S. S. Supt.

AUDITORS REPORT

Annual Audit — Report To Buncombe Baptist Association - 1967

The books of the Association have been audited and found to be correct. Receipts and disbursements have been properly accounted for, and proper reports have been submitted to the Association. The books are being maintained in a business like manner, and are neat and well kept. As always, a word of commendation is in order for the fine job rendered by the bookkeeper, Mrs. Pipes.

WOMEN'S MISSIONARY UNION

The Associational Officer's Clinic at Fruitland in September gave our officers the enthusiasm and information they needed to launch a good year's work with the women of some 63 churches where we have W.M.U. work. The fall leadership clinic was well attended, and helps were given for each officer. Pointers for the Foreign Mission Study series were given by Mrs. Paul Jones and Mrs. John Knight. The leadership course was taught at Merrimon Avenue Church beginning the last of October for Sunbeam, G. A., and W. M. U. leadership but was poorly attended, as was the one for Y. W. A.'s held at Beverly Hills in February. We hope to find a time convenient to more people next year.

Our next highlight came in February when the associational officers served refreshments at the Open House for our new associational office building.

Our theme "The Church Fulfilling Its Mission Through Education" was carried out at our annual meeting where Dr. Fred Bentley and Rev. Robert Melvin from Mars Hill College spoke. Rev. Duprey Gowan gave us a look at the work of Fruitland Institute and Mrs. Alcovia McCall told of our Interracial Vacation Bible School work.

We continued our scholarship fund to Fruitland Institute helping Rev. Carroll Cagle this year. We contributed $100 to Vacation Bible School work.

Members of G. A.'s held a leadership clinic at Beverly Hills in November with Miss Sara Ann Hobbs as inspirational speaker. In May they met with Reed Memorial Church for a program "Walking with God." Rock Hill G. A.'s gave a feature on Star Ideals and Black Mountain gave a skit on camp.

Sunbeams are looking forward to Day Camp at Erwin Hills Community Center in August, planned by Mrs. Don Cloninger and Mrs. L. M. Beckton and their committee.

Mrs. W. T. Hodge

ORDINATION COMMITTEE REPORT

The Ordination Committee of the Buncombe Baptist Association has been called together four times this past year to question, advise and counsel with young men who had felt the call of God to enter the Gospel ministry.

On July 9, 1966, the Committee was called together at the Oakley Baptist Church to examine Brother James Crayton and Brother Ray Hipps. After a thorough examination it was voted that they be recommended to the churches for Ordination. Rev. Ray Hipps had been called by the Morgan Hill Baptist Church, and Brother Crayton by a church in another association.

On December 5, 1966, the Committee was called to meet at First Baptist Church, Asheville to examine Brother Vardis Lavon Raines, who had been called by the Berea Baptist Church. This Committee recommended his ordination.

On November 18, 1966, the Committee was called together at Mt. Carmel Baptist Church for the purpose of examining Brother Guy Sluder, a member of Mt. Carmel Church. This Committee recommended that the Church proceed to ordain him when it sees fit to do so.

On June 20, 1967, the Committee was called to meet at Calvary Church for the purpose of examining Brother Robert Blankenship for ordination. After the customary questions and satisfactory answers, it was voted to recommend that Calvary Church ordain him. He had been called by Calvary as an Associate Pastor.

BAPTIST CHILDREN'S HOMES

The greatest investment that anyone can make is in the youth of our nation. Since 1885 when John H. Mills established the Thomasville Orphanage this has been an increasing concern of North Carolina Baptists. We now have four Baptist Children's Homes in North Carolina located in Thomasville, Kinston, Pembroke, and Chapel Hill, and now prospects are good for having a home for children in W. N. C.

The care of dependent, neglected, and homeless children is the central mission of the Baptist Children's Homes of North Carolina.

In addition to these four homes there are many foster homes throughout our state that offer care for children whose own homes have been broken for one reason or another.

Dr. Wagoner, President of our homes, has stated, "Christ's philosophy of life as it relates to others can be summarized in three broad concepts, namely, recognition, consideration, and care. Recognition of the sacred worth and value of human personality, consideration of the hopes, needs, and aspirations of others, and provisions for the best care of those who need assistance." It was upon this philosophy that North Carolina Baptists established a ministry of child care. The same spirit and purpose has served to direct the work of the Baptist Children's Homes during the past year.

Last year your homes provided care and related services to 1,306 children. Continuing care went to 918 of these while 388 received case work or referral services.

Total operating income amounted to $1,146,350.78 while designated income from endowments, trusts, foundations, and other sources was $351,983.56.

Cooperative Program	30 per cent
Once a Month Offering	13 per cent
Other Sources	20 per cent
Thanksgiving Offering	29 per cent

In the coming year we urge each Baptist in our association to learn more about the ministry of the Children's Homes. To take a personal interest in the children and to give generously to the continuance of this work.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

1967 ASSOCIATIONAL REPORT

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of the Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle Home at Albemarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented though the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents — the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your 5 Homes exists for the people from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

1967 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church members?

Is there any definite plan to acquaint the membership with Baptist doctrines and policy?

Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian literature in the homes?

Do your deacons and church officers have a regular source of information as they help shape the policies of your church?

Is there a planned way to get accurate information and helpful suggestions to your church leaders?

The simplest and most economical way to get ALL this information into the homes of your members is through the BIBLICAL RECORDER. Under the Church Budget Plan, this can be done for only 4c a week.

Consider just one thing the RECORDER did this year: In reporting accurately and courageously the doing of the General Assembly in Raleigh, the RECORDER performed a significant service for Baptists, as well as other denominations. A number of daily newspapers, including the **Charlotte Observer,** credited the RECORDER with being a major factor in the defeat of the liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you posted and to urge you to act.

As another example of service to its readers, the RECORDER is continuing to run both Sunday school lessons — the Uniform Lessons and the Life and Work Curriculum Lessons. Outstanding writers have been secured to do these lessons.

In addition to the weekly ministry in nearly 89,000 homes, the RECORDER editor now writes a weekly religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

THE HOSPITAL REPORT

Our Baptist Hospital and the Bowman Gray School of Medicine at Wake Forest College form a great medical center ministering to the sick in body, soul, and mind, teaching and training and in research.

In the paramedical schools there are some 700 students enrolled each year. There are residences and internships in medicine and pharmacy. In the School of Pastoral Care, active ministers and theological students are taught modern methods of ministering to the sick.

At the medical center $2 million in grants are invested each year in research projects on heart disease, cancer, strokes, kidney diseases, and other problems which challenge medical sciences.

The medical center has the newest and best equipment available

to assist the doctor in ministering to the sick. There are specialized services such as the Intensive Care Unit for those in critical condition who must have constant care and the Progressive Care Unit for those who are recuperating or undergoing special treatment or diagnostic tests and are able to walk to appointments and the cafeteria.

The hospital is in a $20 million development program to be completed in 1970. This will add 200 beds to the existing 500. The existing departments will be larger, a number of new services will be added, and enrollment in the schools will be increased.

These facilities are much greater than a community hospital can afford, therefore, our medical center has become a referral hospital for difficult diagnostic and treatment problems which require the professional skills of specialists and the use of exceptional equipment. Ninety per cent of the hospital's patients are referred by their family doctor.

With all that this great medical center has to offer, **OUR HOSPITAL IS IN TROUBLE**. North Carolina Baptists stated in the charter of their hospital that it is to serve sick people who cannot pay for their medical care.

Last year 4,557 service patients, those who must have financial help received 29,532 days of free care. 17,042 service patients made 98,630 visits to the out patient clinics. The doctors gave all of their services except what insurances could pay. The cost of free care given was $1,511,000. Our Mother's Day Offering was $277,000 and all other funds made a total of $1,111,000, which left a DEFICIT of $400,000. Our churches have been asked to increase their Mother's Day Offering by 40 per cent to meet this deficit and keep the doors open for those who need. For every $1 we give, our hospital is able to give $10 in service because all means for help are utilized.

It is a great privilege to minister in the name of the Great Physician through our hospital. Let every church have a part in this ministry of Christian compassion. Let every member share in this mission of healing. You can know the joy of helping to lift the burden of the suffering. "In the name of Jesus Christ, rise up and walk."

Fred Fore, Hospital Representative

THE ANNUITY BOARD

The cost of living continues to climb. Hospitalization costs are up. Educational costs are higher.

The new Southern Baptist Protection Program has been designed to meet the needs of retired or disabled ministers and other staff members, widows and dependent children in this time of rising costs. Response to the program is enthusiastic as hundreds continue to inquire through the Development Division of the Annuity Board at 511 North Akard Building, Dallas, Texas 75201.

By December 31 of last year 18,328 churches were providing the protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

As dues were sent in last year more than $4,256,244 was paid out

by the Board in age retirement, disability or widow benefits to persons who had participated in the Protection Program. A special blessing which came to each person receiving a guaranteed benefit from the Board was an extra "dividend" check. These checks were made possible because of excess interest earnings. Each check was for an amount equal to one-twelfth of the person's annual benefit.

Our Annuity Board continues to tell us that we must have more participation if we are to expect more benefits in this inflationary period. "A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection", the Board states in the 1966 report. Church leaders are urged to consider a program whereby at least ten percent dues on the total salary are provided for the minister's retirement. This is a "must" if we are to hope to offset the effects of the inflationary trends which continue to prevail.

Rev. Guy Cain is North Carolina's 'voice' for the Protection Program. He labors tirelessly for the benefit of our churches, our pastors, and our staff members. Write him at 301 Hillsboro Street, Raleigh, North Carolina about the many benefits of the Protection Program. He knows the answers. He will give them to you fervently.

John G. Hicks, Representative
Buncombe Baptist Association

As of June 30 there were 43 of our 93 churches enrolled in the Retirement Program.

REPORT OF CHRISTIAN EDUCATION

The Baptist State Convention of North Carolina supports a unique program of Christian Higher Education. There are three senior colleges: Campbell, Mars Hill, and Meredith; Wake Forest University, and three junior colleges: Chowan, Gardner-Webb, and Wingate. As of October, 1966 there were enrolled 11,347 students in these schools.

On June 12, 1967, Wake Forest College officially became Wake Forest University. In addition to law and medicine, Wake Forest is now offering the master's degree and doctor's degree in several areas. Since there is a continuing shortage of dedicated Christian teachers and staff, Baptist undergraduate colleges throughout the Convention are rejoicing in the prospect of being able to turn to Wake Forest University for much needed teachers with graduate degrees.

The Baptist colleges in North Carolina continue to train the vast majority of the church vocational workers. Currently, there is the same concern in our colleges that is being expressed throughout our Convention about the decline in the number of young people answering the call to full-time Christian service. However, the Christian college is not solely in the business of training full-time Christian workers, for the vast majority of students will return to their communities as laymen. Sometimes we tend to overlook the vital contribution of lay-leadership trained in our Christian colleges.

The Baptist colleges in North Carolina continue to be grateful to the Cooperative Program and its vital financial support. For 1967, $1,578,960 has been budgeted. In 1966, the Christian Education Day offering was $132,046. Dr. Harold W. Tribble, President of Wake Forest

University, and Dr. Leslie Campbell, President of Campbell College, retire at the end of the school term this year. Two excellent Christian laymen, both of whom are ordained deacons, have been elected to head these schools: Dr. Norman A. Wiggins, President of Campbell College, and Dr. Ralph Scales, President of Wake Forest University.

The North Carolina Baptist colleges have cooperated fully in the recent Convention-wide Baptist Education Study Task. This study of Christian higher education has dealt with the Biblical basis for Christian higher education; its history; its philosophy; its academic scope; its religious scope; the Christian college teacher; financing; college-denominational relationhips; and academic freedom and responsibility.

The Council of Christian Higher Education continues to serve as a coordinating agency of the Baptist Colleges and the State Convention.

Our program of Christian higher education is worthy of our finest support. The churches of Buncombe Association would do well to consider their share in financing these fine schools. Many of our churches could improve their interest in and support of these colleges both through the Cooperative Program and the Christian Education Day offerings.

John H. Knight

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society shares the deep concern for worldwide mission work which the Southern Baptist Convention is expressing in plans for World Missions Year and the Crusade of the Americas in 1969. The entire work of the Bible Society is founded on these basic missionary principles:

1. **People must have the Bible** because it presents Jesus Christ, the one hope of men and nations.
2. **Each person must have the Bible in his own language** because it speaks to his heart as no other language can speak.
3. **The Bible is the essential tool of missions and evangelism.** The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on witnessing to a person's heart. But, in spite of the strategic importance of the Bible, **there is a worldwide shortage** — because, **in most countries,** people cannot afford even the **cost of printing the Scriptures.**

In 1966 the American Bible Society distributed 39,981,620 Scripture volumes in the U. S. A. Worldwide distribution amounted to 61,815,238 volumes in over 400 languages, in 150 countries around the world. At the close of 1966, some parts of the Bible had been published in 1,280 languages, the full Bible in 240, a Testament in 301 more, a Gospel or other book in 739 more. Yet, there remain 1,000 languages in which none of the Bible has ever been published.

Southern Baptists support the work of the American Bible Society. Records reveal the following gifts:

1961 — $164,342	1964 — $190,334
1962 — $158,206	1965 — $226,731
1963 — $167,498	1966 — $233,896

Southern Baptists were first among all denominations in gifts to the American Bible Society. Although we were first in total gifts, the per capita gift from our 10 million members is less than 2½c per year.

This is an urgent call for your participation in "sending out the truth" to all men everywhere. The long range goal of the American Bible Society is worthy of consideration by all:

1. A Bible in every Christian home
2. A testament in every Christian hand
3. A Scripture portion for every reader
4. Supplies of Scriptures for Christians to share

American Bible Society

Mr. Larsen then moved that the Woodfin Baptist Church be received in full fellowship as it was received last year under the watchcare. It was pointed out that this church had started using Baptist literature and had organized a training union and were doing good work.

The Resolutions Committee report was read as follows by the Rev. C. R. Pierce, Jr.: "Be it resolved that the eighty-seventh session of the Buncombe Baptist Association affirm our sincere appreciation:

(1) To the congregation of the First Baptist Church, Weaverville, and Neal Eller, Pastor, and the congregation of the Mount Carmel Church for their gracious hospitality in making provision for the annual meeting.

(2) To E. V. Plemmons, our Associational Superintendent of Missions and Mrs. J. C. Pipes, our Associational Secretary, for their dilligence that all our work should be fruitful and this session more meaningful.

(3) To John Knight, our Moderator, and all of the officers and leaders in our Association who have shown by their service their willingness to look beyond the borders of their own local church to the wider work of God.

(4) To Charles Lemley, Chairman, and the Program Committee for their fine work in presenting a challenging program.

(5) To Al Mellnik, Udean Burke, Tom Johnson, and the Ministers of Music for presenting messages in music to lift our hearts.

Be it further resolved that we affirm again our desire to belong wholly to our Master Jesus Christ, and to be expendable in His service and that we by a standing vote adopt these resolutions of gratitude and rededication.

Respectfully submitted,
J. L. Lassiter, C. R. Pierce, Jr.

The TIME, PLACE AND PREACHER COMMITTEE gave the following report, which was adopted:

COOPERATIVE PROGRAM

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad---it's preaching the gospel -- it's healing in the name of Jesus through hospitals and clinics everywhere -- it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . . !"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of their churches giving through the Cooperative Program during 1967.

A new Eight Day stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

According to records available our association gave $ 291,887 during the last year for World Missions through the Cooperative Program.

According to our records Buncombe Association has increased in Cooperative Program giving during 1967-68. However there are still 29 churches who have not contributed to the Cooperative Program for World Missions causes. Let every church who would be associated with Southern Baptists feel compelled by the Great Commission to give generously and sacrifically through the Cooperative Program before this year is over.

RECOMMENDATIONS:

(1) That each church plan vigorously, promote, and subscribe a worthy budget.
(2) That each church have a special prayer for Cooperative Program causes during each church service in October.
(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

Wm. A. Snyder, Representative

TRAINING UNION

These are important days in the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through Training Union.

Our churches have given us the following reports:

9 churches have had Church Leader Training classes.
10 churches have had New Member Orientation classes.
7 churches have had short term Training Projects.

Enka, Hominy and Mount Carmel districts reported District Training Schools.

Our "M" Night attendance was 1,169. There were fifty-four churches represented. Our Youth Night attendance at the West Asheville Church was 197. Fifteen churches were represented.

We had seventeen Juniors in the Junior Memory Work Tournament who participated in the regional tournament. Jacquline Robinson from the Emma Church represented our association in the regional Intermediate Sword Drill. Jim Justice from the Beaverdam Church and Gordon Lawrence from the Merrimon Avenue Church were the winners in the Young People's Speakers' Tournament. They were also winners in the regional tournament and spoke in the finals at the Youth Convention in Raleigh. Mrs. Betty Mann from Hominy represented our association in the Adult Scripture Reading at the regional tournament.

May I urge each of you to stay up-to-date with the current Training Union materials, especially the Training Union Magazine. This is essential in order to know what is going on in Training Union work.

I am grateful to each of you for your prayers, assistance and support. I want to pledge to you my best during the coming year.

Respectfully submitted,
Mrs. Orville Myers, Director

BROTHERHOOD

During the past twelve months our Associational Brotherhood has had interesting programs with outstanding speakers featured at the quarterly meetings: Rev. David Lockard former missionary to Africa; Charles Moore, missionary to Costa Rica; Stacey Long from Charlotte spoke on our work among prisoners; Miss Lucy Wright, former missionary nurse to China and Korea.

We are continuing our Sunday School Class at the Craggy convict camp.

There are an increasing number of men in the Association who are willing to take part in personal witnessing. We have recently had a most interesting experience in the Leicester area where men went from house to house sharing Christ.

Maxey Jarman, shoe manufacturer of Nashville, Tennessee, in his message before the Pan American Baptist Laymen's Congress in Rio de Janeiro recently said: "Bringing individuals to a saving knowledge of Jesus Christ is infinitely more important than our obligation to be concerned with the problems of this evil world in trying to relieve suffering, trying to get justice, and trying to keep peace.

Bert Starnes, Director

REPORT OF ANNUAL AUDIT

An audit was made of the Association books, and in my opinion all funds received and disbursed by the treasurer have been properly handled and accounted for. Bank statements have been reconciled each month. The quarterly and Annual Reports to the Association have been verified and found to be correct. Expenses of the Association have been handled closely to the approved budget. I commend Mrs. Pipes for the excellent manner in which she performs her work.

Respectfully submitted,

T. Cecil Tallent, Auditor

ASSOCIATIONAL BOARD AND EXECUTIVE COMMITTEE REPORT

The Associational Board met July 17, 1967 in regular session at West Asheville Baptist Church. Reports were heard and the following were elected to fill vacancies: Rev. John Hicks, Chairman of Missions Committee, and the Rev. Howard Laney, Sunday School Superintendent. It was also voted that the Finance Committee be authorized to employ help if needed in compiling material for the annual meeting.

At the October 16th meeting it was voted to sell the State Street property to the State Street Church for $1500.00. It was also voted that the money coming in from sale of Anderson Cove Property be ear-marked for the Glendale Church building. The following were elected: Rev. Robert Clayton, Sunday School Superintendent, and Rev. Neils Larsen, Associate and Chairman of Training Committee. Organizational reports were heard.

At the January 20 meeting reports were given. It was voted that the treasurer could use money coming in on building fund to meet current monthly payments on the loan, as needed. It was also voted to enlarge the music budget item by $50.00 if available.

At the April 22 meeting regular reports were heard. After reviewing the Treasurer's report it was voted to put the designated money for missions in a separate account as soon as possible, in order to separate it from the operating budget, and that a letter with information about the work of the association and the need for increased offerings be sent to the entire mailing list.

The Executive Committee was called December 4, 1967. The following was voted:

A request for aid for the Lakewood Baptist Church
That Christmas presents be given to Mr. Plemmons and Mrs. Pipes
(the same as the previous year—$50.00 and $25.00)
It was voted that the service of buying paper in large quantities be continued and that the churches see that they pay promptly for the paper.

John Knight, Moderator
Mrs. J. C. Pipes, Secretary

MISSIONS COMMITTEE REPORT

Your Missions Committee carried on a number of activities during the past year as follows:

Met with the Oak Grove Baptist Church at their request to discuss needs relative to the church leadership.

Met as a Committee to discuss needs at the Juvenile Evaluation Center particularly as regards to the securing of a full-time chaplain. Then the Committee met with representatives of the churches of all faiths to discuss the matter further. Nothing positive has been accomplished but the inter-faith Committee is still mindful of the need there. Some good interest toward securing a chaplain has been indicated by some of the churches and people.

Promoted Bible Courses for interested laymen and pastors at the Baptist Building. Dr. A. C. Miller and Rev. Alex Booth from Fruitland were the excellent teachers. Several took the course.

Requested Mr. Ernest Upchurch of Raleigh to make a survey of needs in the Pisgah View Area. Later a committee was named to work on the Pisgah View need. The interdenominational committee met several times. Out of this has come a small beginning in a Mission Sunday School at Pisgah View Apartments.

Your Missions Committee appreciates all who have worked with them during the past year.

Sincerely

John G. Hicks, Chairman

REPORT ON CHRISTIAN HIGHER EDUCATION

Christian Higher Education holds an important place in the thinking of Baptists who are the Baptist State Convention of North Carolina. This is evidenced by the number and quality of its colleges: Wake Forest University, Meredith, Mars Hill, Campbell and its three junior colleges: Gardner-Webb, Chowan and Wingate. A total enrollment of 12,024 was reported in October, 1967, an increase of almost 6% over the previous year's enrollment. This growing number of students places an even greater responsibility upon our colleges, and in November of this year, the Convention will be asked to approve a General Board recommendation that Gardner-Webb be allowed to work toward attaining senior college status.

Naturally, this growth of our schools calls for more financial support from our Convention, and the continued growth of the support by our Baptist people of the Cooperative Program is most encouraging. For 1968, $1,630,900 has been budgeted. Also, there is an increased interest in the Baptist College Day and the number of churches participating. This is especially good, as the intention of the special day is to inform our people about the program and purpose of Christian higher education, and to provide an opportunity through the special offering to give much-needed help to our schools.

At the unanimous request of the college presidents, the Council on Christian Higher Education will again schedule forums on each of our seven college campuses, to which pastors and other church leaders will be invited. A number of pastors and laymen have suggested that this type of communication between our colleges and our Baptist people might well become an annual event. Announcement of this will be coming to the churches as soon as the final schedule is arranged, and pastors will be urged to attend the forum nearest them, bringing with them some of their key church leaders.

The council on Christian Higher Education continues in its work as a coordinating agency for the Baptist colleges in our state convention, offering assistance to our churches in planning observance of Baptist College Day, recommending speakers, etc. Material is available to churches and individuals upon request.

The Christian college campus is emerging once again as a great moral and ethical force in our American culture. Church-related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the campus. The most effective Christian witness in America will belong to the denominations that grasp the opportunity to work with young people. This is a time for positive Christian witness from our churches and from our Christian colleges. North Carolina Baptists have a mandate to re-establish a sense of Christian values in American life. Every church of Buncombe Association is urged to consider its financial share in this endeavor which is worthy of our finest support. We support our colleges through our Cooperative Program gifts and through the special Baptist College Day offering. Much will depend on our generosity.

Respectfully submitted,

Edgar E. Ferrell, Jr.

1968 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

This is the period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your BIBLICAL RECORDER is not immune from some of these problems, but there is a brighter side to its ministry. In January, the RECORDER had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the RECORDER to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the RECORDER nearly $5,000 a year.

There is every indication that the RECORDER is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The RECORDER runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the RECORDER is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the RECORDER is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the RECORDER. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The RECORDER staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the RECORDER at all times. The support of all Baptists is needed in carrying out this objective.

Respectfully submitted,

Neils H. Larsen
Biblical Recorder Representative

WORK WITH NATIONAL BAPTIST

The Buncombe Baptist Association for the past eight years has sponsored a Negro girl for ten weeks as summer missionary, who has served in Vacation Bible Schools of the Mud Creek Baptist Association.

Not until November 8, 1965 did a door open for a full time ministry of Interracial work in this area. This is a cooperative effort of Buncombe Baptist Association, Mud Creek Baptist Association and the Department of Interracial Cooperation, Raleigh, North Carolina.

Since the beginning much has been done in leadership training. The first year special emphasis was given to Vacation Bible School work. During the three years forty-one adult leaders have attended the State Vacation Bible School Clinic at Wingate College, thirty-one young people have taken the VBS training at Gardner-Webb College for summer missionaries, who have served for ten weeks as summer missionaries in this area. These trained workers participated in two Associational Vacation Bible School Clinics each year in the Mud Creek Association. As a result there has been twelve Standard Vacation Bible Schools in the past two years. Much higher quality of work in many other churches.

The Home Mission Board of the Southern Baptist Convention adds to this program each summer by paying the salary of two or three of these summer workers from out of state.

Between July 1967 and July 1968 there were six very successful youth retreats held within the association. There were 300 in attendance at the one held at Fruitland Baptist Assembly. Space does not allow this story in detail.

For eight weeks following Bible School, six churches participated in a Week-Day Program in three different areas. A Week-Day Bible Camp at Mt. Zion, Week-Day Program at South French Broad and Week-Day Program in Brevard at Bethal A Baptist Church. Thanks to the generosity of so many wonderful people who made this possible and a reality. First Baptist furnished 103 **Good News For Modern Man,** 50 copies of **The Life of Jesus,** by Robbie Trent; 25 copies of **The Story of the New Testament.** Grace Baptist Church gave $100.00 on the salary of one of the workers, Reed Memorial furnished money for crafts and Biltmore Dairies contributed milk and ice-cream. Many gave by sharing their talent in music, art, drama, Bible teaching and directing recreation.

There are three churches with Junior and Intermediate Girls' Auxiliaries, and three with Sunbeam Bands.

This summer 21 churches reported 2,058 enrolled in Bible Schools. 137 professions of faith, and 145 dedications. $532.87 given through the Unified Program for missions.

"There is a real opportunity here for great and worth while work, even though there are many opponents." 1 Cor. 16:9 (Good News For Modern Man)

This is mission in action! Thanks for your prayers and concern.

Respectfully Submitted,
Mrs. Alcovia McCall

LIBRARY REPORT

Library work during the past 12 months has not been what we would have desired, although we did help several libraries in different ways and now have 4 churches who wish to start libraries in the very near future. Some have already ordered the 15 free books offered from the Sunday School Library Department. With the 5 books to be given by your Associational Librarian together with the 5 books the church buys, gives a total of 25 books to start with, not a bad start ??

There are several ways to get books free. Lots of people wish to give a book in place of flowers in memory of a loved one who passed away, others like to buy a good book, read it then pass it on to the library.

Buy the books you need for your library from the Baptist Book store at Ridgecrest *on credit.* Put on display and ask your members to *buy a book* and autograph it. If there is any left, return for credit. Accept all *attic books* with the understanding that they will be culled, do away with all undesirable books. You will soon have a library of 50 to 100 volumes with the cost of only 5 books that your church bought.

Please do not wait until your church is out of debt to start your library, a library is necessary. Waiting is the "thief of time". If you need help, call your Associational Librarian.

M. H. Cox, Associational Librarian

ASSOCIATIONAL FOUNDATION REPORT FOR 1968

During the past year, the North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

Doyle Woody,
Associational Representative

HOMES FOR THE AGING

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from the Homes derive 22½% of their total support; (2) The Cooperative Program from which we receive 12½% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communitites. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

HISTORIAN REPORT

The churches of the Buncombe Baptist Association have passed another milestone in their history and we have examined with interest their annual reports. Eighty eight (not all) have been received for our study and we note several things of general interest.

Thirty one of our churches were organized before 1900, the oldest being the New Found church, organized in 1802 and the next oldest being the Fairview church, organized in 1806. Fifty seven have been organized since 1900 and the last church was the Highland church, organized in 1965. We have twelve churches with less than 100 members, 67 with 100 to 500 members, 17 with over 500 members including 3 with over 1000 members. Our total membership is now over 33,000 but over 650 are reported as non-resident. Total value of church property, now amounts to over twelve million dollars with only about two million dollars indebtedness. Over 30 churches report no indebtedness. It is good to note that over 50 churches provide homes for their pastors and also participate in the annuity plan for their pastors too. However, we regret to see that some of our churches have not had a single baptism or reported a gift to the Cooperative Program during the past year.

Let us look at a few things that our churches have reported of historical interest:

Arden Church - Built a recreation area with shelter and purchased a 4 room mobile unit for additional Sunday School space.

Berea Church - Completed new pastorium.

Bl. Mtn. First: - New pastorium completed.

Corinth Church - New wing added to church building which will contain 2 class rooms and 2 rest rooms.

Haywood Street - The highway has taken their present church property and they have purchased other property and making plans for a new building.

Maple Ridge - Dedication services held March 11, 1968.

Merrimon Avenue - 2 houses and lots have been acquired for educational use and parking areas; called a full time Minister of Music and Education, purchased new organ and piano for sanctuary; also purchased a church activity bus.

New Morgan Hill - Dedication of PA system and paved parking lot and driveways.

Oakley - Started construction of new Educational building at cost of $130,000.00.

Pleasant Hill Church - Additional property purchased for new building.

Skyland - New Educational building constructed and dedicated

Vance Avenue - New Organ purchased.

West Asheville - Rev. Tom. E. Gandy called as Asso. Pastor.

Woodfin - Remodeled and painted inside and outside of building.

Zion Hill - Celebrated 100th Anniversary.

Indeed much has been accomplished during the past year for which we should be thankful for, but we must press on for greater victories in Christ.

Respectfully submitted,
John L. Lawrence

EVANGELISM

The first great responsibility of Baptists today is to proclaim the message of the Gospel clearly, plainly and under the empowering of the Holy Spirit. The second is to see that the new life and purpose of God found in Christ is in the foreground of all our motives, attitudes and actions in personal cultural and organizational life and that this involves us in helping meet the needs of all people. To express the same things another way is to say evangelism is our first great responsibility and the second is to follow our Lord Jesus Christ obediently, as taught in the Scriptures, that the true fruits of evangelism may issue from our total lives. Therefore, it must be of utmost concern to every Spirit-filled Baptist to know there is a reliable source of divine knowledge found in the Bible to preach the Gospel of Christ one must know what the Gospel is, and this God has revealed and written for us in the Bible.

To move with God this year and next in the Crusade of the Americas means that we must be diligent in searching the Scriptures and proclaiming the glorious Gospel of Christ revealed therein; and that we must walk daily with God in the fellowship of prayer. Leaders in the churches must make sure these two most vital matters are constantly practiced in their lives and that these matters are always kept before the people in the churches. This done faithfully and sincerely day by day across the weeks and months will bring individuals and churches into vital relationship with God.

It is urgently important that every church be confronted with the opportunity and responsibility of participating with other Baptists across the Western hemisphere in prayerful concern for a spiritual awakening to be experienced in the simultaneous revival meetings next spring. Messengers of this association are therefore urged to see that every church rightly faces this challenge. For details on the Crusade consult the GUIDEBOOK FOR BAPTISTS OF NORTH CAROLINA which has been mailed to all pastors, Sunday School Superintendents, Training Union Directors, WMU presidents, and Brotherhood presidents. The date for the simultaneous revival in our Association is April 6-20, 1969. In our association the following churches will participate in the Crusade: (As of August, 1968):

1. Newbridge

As soon as a church votes to participate, the Associational Chairman of Evangelism should be notified.

There was an area wide crusade for Christ led by Dr. C. E. Autrey, Secty. of Evangelism, Southern Baptist Home Mission Board, October 1—10, 1967. This meeting was held at the city auditorium and there were overflow crowds several nights. Much was accomplished. The Billy Graham film, "The Restless Ones", was shown at the Plaza theatre, April 26—May 2. Around 15,000 people saw the film. Over 2,000 people responded during the invitation. Over half of these were first time decisions. God's presence was evident.

Billy Cline, Chairman of Evangelism

SUNDAY SCHOOL

During the past year the Sunday School had two Association-wide meetings, Vacation Bible School Clinic and Action Night. Both of these meetings was well attended and had an excellent program. Most of the Sunday School work was done in the local churches or in the districts when our Missionary or Sunday School workers would go and assist the local church in the work they requested.

Your Sunday School workers stand ready at all times to assist any church in the Association with any of its needs, but we must be invited to your church and made aware of your needs if we are to be of help to you.

This year we will be stressing the Sunday School role in the Crusade of the Americas. The Sunday School is still the 'Arm of Evangelism' for the church, therefore it must be very active in this great Crusade.

During the coming year we urge all Sunday School workers to attend every Sunday School meeting possible both on the local and state level, because many changes are now taking place in our Sunday School work and we must be alert if we are to be informed.

Again let me say your Associational Officers are ready to help you if we are needed.

Robert G. Clayton
Associational Sunday School
Superintendent

WOMAN'S MISSIONARY UNION

A word of appreciation; to each of the associational officers for their help in keeping our church leaders informed and inspired, to the officers and leaders in each church for their work in finding ways to minister and share the Good News of the Gospel of Jesus Christ, to the churches for their participation in all that the association has attempted to do. Your contributions to the Progress Fund has enabled us to continue our promotional and educational work, to contribute a $100 scholarship to a student at Fruitland Institute and $100 to the Interracial Vacation Bible School Work. A special word of thanks to the 17 committee chairmen and nearly 100 other women who helped with plans and served during the Annual State WMU meeting here in March. It was considered a success in spite of varied and inclement weather.

Our Executive Board met quarterly to plan our work.

The Weaverville WMU president, Mrs. Stuart Rice, was hostess to our annual meeting in April. The attendance was poor — only 75 attending with 18 churches represented. Mrs. Johnnie Brown, director of the Baptist Center in Greenville, S. C., gave us a real challenge as she told of her work there and of the cooperation she receives from the local WMU organizations. Miss Annice Whatley, former Journeyman showed slides of her work.

In July we met in joint session with the Brotherhood and heard Miss Lucy Wright, retired missionary from China and Korea tell of her recent visit to Korea.

May I urge you to look at the NEW WMU PLANS with enthusiasm. We pledge to help you make the transition smoothly--call on us.

Mrs. W. T. Hodge

MUSIC REPORT

This report represents one of the most fruitful years in the work of the Associational Ministry of Music. An ambitious program was planned by the Music Committee, containing projects which we hoped would involve more churches than ever. This was realized, and indeed, the highlight of the report is that more churches participated in music activities than in any previous year. The Music Committee, composed of the ministers of music in the Association, meet monthly for luncheon and planning. The fellowship in this group is excellent, and under the leadership of Mr. Al Mellnik, we are endeavoring to make music in this Association, an avenue for service and praise in all the churches.

The activities sponsored by the Music Ministry were as follows: Representatives attended all planning meetings held by the State Music Department: Handel's Messiah was presented in the City Auditorium in December by our combined church choirs with the Mars Hill College Choir and a small orchestra. Dr. Richard Brewer of Pheiffer College was the conductor. Clarence Kirby, organist, and Donna Nagey Robertson, Harpsichordist. Approximately 2,000 persons attended the presentation. Music for M Night and Youth Night was arranged by the committee. The annual Regional Choir Restivals were held at Calvary and West Asheville in February-March. State Festivals were held at Mars Hill College for Juniors and at Wake Forest College for Intermediates and Young People. Our Association was represented in all Festivals.

A new venture in the form of an Associational Youth Choir Retreat was held in May at the Georgia Baptist Assembly with 300 Intermediates and Young People attending. The Theme was "Jesus Uplifted". Mr. Ray Connor of the Music Department, Sunday School Board, was guest conductor. Fifteen churches were represented, and it was a joy to have several pastors from the Association present with their choir groups. Our Association was well represented at both Music Weeks at Ft. Caswell. Others will attend the Music Week at Fruitland. A Junior Choir Camp for the Association is scheduled for August 12-16 in West Asheville Baptist Church. Mr. Al Mellnik has been re-elected director for the coming year, and Mrs. Chas. Carter was elected secretary.

We are grateful for this good year and feel that we can truly "Rejoice, Give Thanks, and Sing!"

Mrs. Glenn Starnes, Secretary

AMERICAN BIBLE SOCIETY

Christianity enters the space age with a handicap to its hopes because of a world shortage of Scriptures. Seven out of eight Christians do not possess a New Testament; 50% of all Christian families do not have Bibles and more than 2½ billion of the 3 billion people in the world are without any portion of the Written Word at all.

Christianity will conquer the inner spaces of man's lives only as they encounter the Living Word of God.

The American Bible Society, a vital arm of the church, has existed for over 150 years for the sole purpose of preparing and supplying Scriptures to all manking, in a language he can understand. Printing without note or comment. . .supplying the blind with special Scriptures and distributing without profit, ABS has reached millions of people in the world. At least one book of the Bible has been published in 1326 different languages and dialects to date but there are still over 1,000 languages to go.

Southern Baptists have always been in the fore-front of active participation and cooperation with ABS ministries, leading the 74 denominational groups in financial support.

North Carolina Baptist churches contributed $7,614.25 to the ABS cause in designated gifts through the Convention office last year. Officials of ABS continue to urge churches to make their contributions in this way, in order that more accurate records may be kept for our own information.

Because of these gifts, and other contributions, ABS continues to minister through institutions, armed forces, hospitals, prisons, schools and other vital targets. One request recently brought more than 2600 N. C. residents of several different institutions copies of the Scriptures from ABS grants. These included Samarcan Manor, McCain Prison Unit, McCain Hospital, Leonard Training School, Odum Prison, Morrison Training School, Barium Springs Home, Jackson Training School, Florence Crittenton Home and one public school requesting portions for 550 children.

Miss Ruth Culley Special Ministries Secretary for ABS (1865 Broadway, New York, N. Y. 10023) welcomes any request for information concerned with assistance to institutional ministries.

The American Bible Society depends entirely upon concerned churches and individuals who have the vision to feed men's souls.

The World will not wait. And it need not, as long as dedicated Christians continue to manifest their concern for God's world by their increased support of the translation, publication and distribution of His Word.

MINISTERS' PROTECTION PLAN

Important Date for all New Members in Plan "A"

The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation," commonly known as a "grace period." The grace period provision will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced. The reduction will be the ratio which such years of delay bear to the total

years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. The plans in the Protection Program are Plan "A," formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B," the Age Security Plan; and Plan "C," the Variable Benefit Plan.

ANNUITANTS RECEIVE "13th" CHECK

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for an amount equal to 12 per cent of his annual benefit. These checks were made possible because of interest earnings in excess of what the plans required. The trustees approved, two years ago, the issuance of the "13th" checks, providing the Board realized such excess interest earnings.

DUES ON TOTAL SALARY ENCOURAGED

Inflation continues to affect the buying power of the dollar for everyone, including those who have retired. No sign of a leveling off period of the inflationary trend is indicated. The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. Many churches are moving to ten per cent dues on total salary, recommended as a minimum by the Annuity Board and state convention secretaries.

REPORT FOR 1967

As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total number of 17,400 churches were providing the Program for their ministers. About one-half of the churches in the Buncombe Association do not carry any protection for their pastor or staff. This protection is so important for all our churches and pastors. Check into it today.

For information about any of the plans in the Protection Program contact Rev. Guy Cain, 310 Hillsborough Street, Raleigh, North Carolina, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

MISSIONARY'S REPORT

As we close another year we have so much to be grateful for in our association with 95 churches. Our offerings have increased over two hundred thousand dollars, with over four hundred thousand going to missions.

We had a good increase through the Cooperative Program over last year. Eighty-nine of our ninety-five churches made some contribution to missions.

From the annual reports of the churches we find a good increase in baptisms, Sunday school, Training Union, Vacation Bible Schoo! and other organizations in their enrollment over last year.

Mrs. Alcovia McCall with her workers have had a good summer of work in the Negro churches. Three Week Day Program Centers have been operated in three Negro churches this summer.

Rev. W. G. Russell has served well as our hospital chaplain for all three hospitals.

Mr. Bert Starnes has led our Baptist men in witnessing revivals and area crusades in our association and in other states.

As we approach the coming year we have two major projects — Simultaneous revivals in the Crusade of the Americas coming in April and our School of Missions in September. Our goal for the simultaneous revivals is to have sixty of our churches in revival during the date of April 6—20 and forty-nine entering the School of Missions on September 14—21.

I wish to express my gratitude to every pastor, leaders in the churches and associational officers for the fine cooperative spirit in our association. To you is due the rewards for all our successes the past year. May we join heart and hand in prayer that our Saviour may be lifted, that men may be drawn to the great loving heart of God.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA REPORT

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deelpy grateful for every type of support. Co-operative Program income through the churches is

increasingly important. Last year's Thanksgiving offering is the largest ever--now appraoching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year--two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of the Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Saviour and Lord.

Hugh Starnes
Associational Representative

BAPTIST HOSPITAL REPORT

This is a full year at your Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will

provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new schools. The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarged space and facilities for offices and for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years now, but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. In view of this, financial arrangements must be made before a patient is admitted to the hospital, except in case of emergency. There will have to be a plan, including any insurance, for paying the estimated hospital bill, before the patient is discharged, unless the patient has been certified by his county welfare department or some other agency. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

Active North Carolina Baptist ministers will be given a 25% discount, and beyond this they will be charged the same as other patients. If they come through the clinic as service patients, they will be eligible for Mother's Day assistance if there is real need and other funds are not available.

The great concern at our Baptist Hospital is for our Service Patients who must have financial assistance if they get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without money to cover the cost of caring for the patients it serves. In view of these circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it.

Respectfully submitted,

Fred Fore, Hospital Representative

PREAMBLE

We, the members of Missionary Baptist Churches in the County of Buncombe, State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

ARTICLE I—NAME

The name of this body shall be the Buncombe Baptist Association.

ARTICLE II—PURPOSE

The purpose of this Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Association itself.

ARTICLE III—MEMBERSHIP

SECTION 1: The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church being defined as:

(1). A church which makes an annual report to the Association on forms provided by the Association through the Clerk.

(2). A church which contributes toward the support of associational endeavors as nearly as possible to the adopted plan of the Association.

(3). A church which sends duly elected messengers to the annual associational meeting and duly elected members to the executive committee meetings of the Association.

SECTION 2: The Association shall be sole judge of its membership and may receive churches or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

SECTION 3: Churches desiring membership in the Association shall apply to the membership committee and if recommended by this committee and accepted by the Association in annual session shall agree to come under the watch care of the Association for a period of one year. Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing of its petition of membership. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association in annual session. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

ARTICLE IV—MEETINGS

SECTION 1. The Association shall meet annually on Monday night and Tuesday morning and afternoon after the second Sunday in September.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks notice is given to the member churches.

SECTION 3. Each church shall elect annually, in addition to the pastor, one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than three nor more than 10 messengers. These shall constitute the voting body of the Association. The names of the messengers printed in the Minutes shall include only those attending and registering at the Associational meeting.

REPORTS

SUNDAY SCHOOL

Highlight of our Sunday School work on the Associational level this year was our "Action Night Program", which was very well attended and our Vacation Bible School Clinics were very successful.

We had the expert help of the workers from our Sunday School Board for Action Night which gave us inspiration, instruction and motivation for the years work.

We are grateful to Mr. Plemmons who taught many study courses in our churches and to all the Sunday School workers that assisted in the department work in various churches.

The coming year will present a great challenge to each Sunday School because many new plans and methods are being introduced by our Sunday School Board.

We plan to have a central training school using members of the Sunday School Board to acquaint us with all the new methods. We urge each church to make plans now to attend Action Night and the central training school and to plan now to have preparation week in your church.

Again let me say your Associational Sunday School workers stand ready to assist any Sunday School that desires our help.

Robert G. Clayton, Asso. Supt.

CHRISTIAN HIGHER EDUCATION

In the high wind of a swiftly changing world, stability depends on flexibility and roots. To keep minds open to new truth and yet to provide the deep and lasting supports of the old truths — this is the challenge to Christian higher education in the crisis of today's world. The best way to prepare students for an unknown tomorrow is surely this combination of openess and depth. The teaching of Jesus summons men to change, even to rebirth; yet they also counsel men to hold firmly to that which does not change.

The Christian college seeks to follow these teachings, and the churches which have founded the colleges must expect that even as individuals and churches grow in grace, the colleges will also be exercising the power to become, which is at the heart of the Gospel. A rigid Christian church or college is unresponsive to Christ and His work in the world. Faithful Christian presence calls for flexibility and rootage. Our doctrine of church is sufficiently flexible to allow unity in diversity. Our concept of college requires just such a flexibility.

It may be true that the most misunderstanding and most misrepresented group in contemporary society is today's college students. The excesses of a few have come to be accepted as representative of them all. Be that as it may we must seek a new understanding of young people of our day, their problems, their frustrations, their values, their hopes and the revolutionary society in which they are growing up.

North Carolina Baptists are trying to face up to this problem through the ministry of its seven colleges. There were last year enrolled in these colleges 12,020 students. They were divided thus: Campbell, 2,402; Chowan, 1,338; Gardner-Webb, 1,316; Mars Hill, 1,306; Meredith, 893; Wake Forest, 3,177; and Wingate, 1,588. We invested in these colleges through the Cooperative Program last year $1,631,000. We feel that the Cooperative Program is the finest expression yet devised for translating into action our missionary, evangelistic and social concerns. The Council on Christian Higher Education pledges its cooperation in supporting the Cooperative Program as the best means of demonstrating our desire to carry out the Great Commission both at home and in other lands.

Nane Starnes,
Associational Representative

INTERRACIAL COOPERATION

1969 has added color and significant events to the Interracial work in the Asheville area. Several of Buncombe Baptist have become more personally involved in the work. Some churches, not only, observed Race Relation Sunday in February, but have cooperated all during the year in Christian Fellowship.

Mrs. Carolyn H. Hunneycutt, school teacher and a member of Elk Mountain Baptist Church and Mrs. Betty Thomas of Buckeye Baptist Church, along with Miss Dianne White of Mt. Zion and Miss Nadine Young of Bethel A have been engaged for eight weeks, following a two week Vacation Bible School, in a Week-day Program at Mt. Zion on Eagle Street. This has been a cooperative effort to meet the physical, mental, social, and spiritual needs of the youth from 3 years through 16 years. The First Baptist Church contributed $100.00 toward the expenses of this project.

A second program of this type has been in progress at Bethel A in Brevard, N. C. Miss Sherely Feaster of First Baptist Church in El Paso, Texas and Miss Joyce Ann Lewis of Memphis, Tennessee, who were sponsored by the Southern Baptist Home Mission Board, served as summer student missionaries.

Thirteen Vacation Bible School workers, including four pastors, attended the State Vacation Bible School Clinic at Wingate College last January. In March this group conducted two Associational Clinics, one in Asheville and one in Hendersonville. There were 343 enrolled in the clinics.

While this report is being written the last two of the 26 church Bible Schools are in progress. Five new churches have had Bible Schools this summer. Over 2000 young people have enjoyed 30 happy hours together at church. They have become more aware of the nearness of a loving God and a deeper trust in and acceptance of each other. There were 137 professions of faith, 142 dedications, $636.17 mission offering through the Unified Plan, and eight standard schools.

Last spring the Mud Creek Baptist Association asked your Interracial Worker to serve as Christian Education Director, and have established an associational office in the Rock Hill Baptist Church at 514 Caribou Road. Through this new position many opportunities are presenting themselves within all departments of the church and associational life.

Mr. Corbin Cooper, Secretary, Department of Interracial Cooperation, has sponsored eight of the twelve summer missionaries who have served ten weeks in the Mud Creek Association. Four of us attended the Home Missions Conference at Ridgecrest, August 14-20, 1969. Buncombe and Mud Creek Associations have sponsored one summer missionary each and the Home Mission Board two. These young dedicated student missionaries have been a great inspiration to the youth of Mud Creek Association. They as the many others who have come, served, and gone on to other fields, may not pass this way again; however; we look forward to next summer with great anticipation for another group who will add to the colorful and meaningful experiences of Baptist working together.

We are grateful for the progress made in Race Relations, even though we have just scratched the surface. May I thank you for your continued prayers and cooperation? We must work the works of Him that sent us, while it is day.

Respectfully submitted
Alcovia O. McCall

Historian's Report

We have checked the associational reports of 88 churches on hand (5 short of full report) and find fine work and much progress in many areas, but much to call for serious study and concern.

Only 2 churches reported that they were without pastors at the close of year. However, we have over 100 ordained ministers (mostly retired) in the membership of our churches so that a supply of interim pastor should be readily available. Many of our retired ministers are rendering a wonderful service in this way besides valuable service in the church where they are members.

The 88 churches reporting showed a membership of 32,359 with 5,812 or 18% as non-resident. Many of these still make a financial contribution to their church. 72 of the churches reporting have held a VBS with an enrollment of over 8000. This is one of the most excellent services that our churches render to our young people and in some cases to our adults too.

Our Sunday school and church attendance should be of deep concern for our records show that we are losing in both. I know that we hide behind the fact that this is true throughout the country in all

denominations, but that should be no excuse for people living in the so-called Bible belt. We need to locate the reason and seek to correct it. We have invested millions in brick and mortar equipment and the best of literature but are failing to reach in Bible study and worship.

We are glad to note that 108 revivals were held during the year with 335 baptisms. However we regret to report that 13 churches did not have a single baptism. The number of tithes has dropped from 5000 reported 2 years ago to 3066 this year. Our work and especially our missions will suffer because of this.

The following churches report items of Historical interest:

Bent Creek—New educational building was dedicated Aug. 11, 1968; added Extension Department to Sunday School and begun Children Church for 4 and 5 year olds. Also started a Kindergarten and ordained one into the ministry.

Calvary—Donald N. Welborn was called as Minister of Music June 2, 1969. The church celebrated its 60th anniversary January 5, 1969.

Chestnut Grove—Ladies and Men's rest rooms completed. A well has been drilled.

Christian Creek—Church building dedicated Sept. 8, 1968. Church voted to accept bids for new parsonage Oct. 1968 and it was completed and pastor and family moved in in May, 1969.

Edgewood—Remodeling program started. Youth choir of 35 members reorganized under leadership of Mrs. Terry Cathey.

Enka—Mr. Bill Jervis ordained for the ministry.

Flat Creek—240 foot well drilled and pump installed.

Merrimon Avenue—Pastor's study completely remodeled and new furniture installed. Parking lot paved and bus route started to transport people to church.

Oakley—New educational building dedicated.

Reed Memorial—Mr. Jerry Ables accepted call July 2 as Music and Youth Leader.

Ridgecrest—Inside of pastorium renovated and stainless steel baptistry installed in the church building.

Sunrise—Improvements made on the church building and grounds. Also Mr. Kyle Shipman was licensed for the ministry.

Trinity—Rev. Harold Webb served as interim pastor until Rev. Zane Ponder was called as full time pastor.

Woodfin—Lots adjoining church purchased for additional parking area.

Woodland Hils—New church building and church property dedicated. Name changed from Haywood Street.

Vance Avenue—Air conditioning being installed.

MUSIC

The music ministry accomplished a great deal this year. The Christmas endeavor was a carol sing at Westgate and Tunnel Road Shopping Centers with representatives from many churches throughout the area. Mr. Don Angell, Minister of Music at the Biltmore Baptist Church, also worked with a brass ensemble for the carol sing.

On "M" night, a youth choir was provided by the churches and led by Udean Burke, Minister of Music at Merrimon Avenue Baptist Church.

State and regional festivals were held with a state festival held in our own association.

The highlight of the year was a Youth Music Retreat held at Toccoa, Georgia. Music was selected by our ministers of music and worked on by the individual choirs to be polished in Toccoa by our guest director, Mr. Elwyn Thymer, editor of the Youth Musician in Nashville.

After Toccoa which also included recreation such as swimming, etc., the group which was composed of about 300 singers representing 17 churches returned to the First Baptist Church in Asheville to have a video tape recording which was presented recently on WLOS-TV.

Mr. Al Melinik, our associational Music Director and Mr. Charles Crocker, Minister of Music at Asheville First, participated in this telecast.

In late summer, a Junior Music Day Camp was held at West Asheville Baptist Church with an average daily attendance of 100. This was a time for the juniors in our association to come together for music and learning experiences of various kinds. Four churches from the Mud Creek Association joined us for this.

It is my own personal belief that these ministers of music want to do something in our area. I do hope they will receive the fullest cooperation from the rest of the staff in order to fulfill their potential this next year.

Al Melinik, Music Director
Ed Alexander, Secty.

WMU

Changes and Choices has marked the years work in WMU. New organizational ideas, new materials to interpret these ideas and a new look of simplicity and flexibility have led us to more effectively perform the tasks given to WMU.

A very successful study of the age level manuals in September got us off to a good start. Under the leadership of Mrs. James Craig, Mrs. Ken Waddell, Mrs. Walter Hipps and Mrs. Bill Dale over 150 leadership cards were awarded. The leadership clinic in October with associational officers and special guests Mrs. David Wigger and Mrs. Roy Edgeman drew a crowd of over 200.

In January a Mission Action Clinic provided many women with ideas for outreach.

The annual meeting with Swannanoa First Baptist was a delightful occasion, and Mrs. W. M. Fox and her ladies proved gracious hostesses. This meeting provided opportunity to hear reports of good work done through mission action groups and Mrs. Gerald Goldston, missionary appointee, challenged us to continue this witness and to look for other outreach opportunities around us and around the world.

June's meeting with the Brotherhood Seminar was a very well planned program, but very few of our women were able to attend.

July's quarterly meeting provided us another look at our witnessing opportunities and a belated chance to elect our associational officers.

Many churches report enthusiastic and whole hearted participation in the program change. Much good has been done . . . much remains to be done.

Mrs. W. T. Hodge, President

LIBRARY REPORT

Our associational library work has progressed slowly this year. We have helped in starting three new libraries and revitalized one. Rock Hill, Rev. Ferguson, pastor, (colored); Mountain View, Rev. Todd, pastor, Berea, Rev. Raines, pastor, and Enka Library revitalized. We are now working with two colored and two white churches and the unwed Mothers Home to help start a library in each of these.

Any church that is able to buy five books can have a library. Your associational librarian will see that you get twenty free books to start with. Your five and donations will soon grow to fifty. We will help set up a resource file which will only cost a half dozen postage stamps. Each organization of the Southern Convention will gladly give free literature as it comes from the printers at no cost at all.

We also have four churches to help revitalize which are inactive because of no librarian or other causes. A church library is a must in these critical times and will help a church send out young men into the ministry and young women as missionaries, thereby, fullfilling Gods command "Go Ye", some to preach His Word and some to teach.

Respectfully submitted,
M. H. Cox Assoc. Librarian

BAPTIST MEN

Most interesting and beneficial programs have been presented by the Associational Brotherhood during the year.

At the October meeting, in connection with the Crusade of the Americas, Don Green, an attorney from Hickory, brought a report and showed slides of the trip the North Carolina men took to South America.

In January Edwin Bullock from Raleigh and four of his state officers put on a Brotherhood Workshop for the benefit of our local men.

At the April meeting Bob Hamilton brought a most inspiring and informative message on the subject: "After Baptism What?"

In answer to the question often asked: What Christian service can our men take part in aside from our regular programs? three Christian Action Seminars were presented in July.

1. Social Service (a) Care (b) Welfare Department (c) Family Counseling.
2. Juvenile Work (a) Juvenile Court (b) Juvenile Center (c) Juvenile Rehabilitation.
3. Prison Ministry (a) Prisoners Confined (b) Prisoners' Family (c) Prisoner Rehabilitation.

Our men have taken part in thirteen lay-led revivals during the year with increased interest.

Many professions of faith have been made in our Sunday School Class at the Graggy Convict Camp, and the men give testimonies every Sunday Morning.

Bert Starnes
Brotherhood Associational President

HOSPITAL CHAPLAIN

Work among the sick and suffering was a very vital part of the ministry of Christ on earth. He seeks to continue this work through us as members of His body, the church, bringing comfort, consolation and loving care to those who suffer and thereby aid the healing process.

For almost two and one half years I have tried to serve the Buncombe Association in this ministry. During this period I have come in contact with many sick and lonely people, away from home and loved ones, with no one to visit them, and some who had come to feel that even their loved ones did not care.

It has been a rewarding ministry in many ways. Many of these patients have expressed a sincere appreciation for the Buncombe Association for providing such a ministry, and have asked me to say this to you — the churches of the Association. There have been at least three known conversions as a result of this program in the hospitals. It is not easy, and sometimes it is heart rending, but it has its rewards, and I am happy to have had the privilege of serving my Lord in this way.

W. G. Russell, Hospital Chaplain

EVANGELISM

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas bore evidence, in some places across the state, of being genuine spiritual revivals. Where God's people sowed bountifully they reaped gloriously. In our association the Crusade was blessed by God in an unusual way. More churches participated in this crusade than in any other effort sponsored by Buncombe Baptists.

The fellowship-clinic was well attended and there appears to be a feeling of unity like we have never experienced before. There were many additions to the churches by baptism and letter.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give some guidelines for future plans in evangelism. As observed across the state some of the characteristics were:

1. In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of some church people—usually the leaders. This definitely says something to us for the future.
2. Some of the most powerful revivals in our state started among the young people of our churches. Young people were prominent in many places today and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. This has taken place in several churches in North Carolina this year. It ought to be happening everywhere.

In the light of what we have seen this year, there are some **"musts"** for the future:

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ—Christ as He and His Gospel are revealed by the Holy Spirit through the Bible, the inspired Word of God.

2. To purpose to engage daily in searching the Scriptures and in prayer for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue steadfastly therein.
3. To proclaim faithfully "Publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.

Respectfully submitted,
Billy Cline, Chairman of Evangelism

COOPERATIVE PROGRAM

The Cooperative Program is the main channel for supporting World Missions, Christian Education, Social Services and an ever-expanding State Missions program. The goal for these causes this year is $6,750,000. A special State Missions Goal of $250,000 is a Challenge to all Baptist churches. Other approved special offerings—the Lottie Moon Christmas Offering, the Annie Armstrong Easter Offering, the Heck-Jones Memorial Offering, the hospital special on Mother's Day, the Thanksgiving Special for the Baptist Children's Homes, Christian Education on Father's Day, and the offering for the Homes for the Aging in February—all combine to an amount that will approach ten million dollars in 1969.

What about our association? According to the records we gave $291,813 through the Cooperative Program in 1968. This is a decrease of $77.00 over last year; however there are still 29 churches who have not contributed through the Cooperative Program to World Mission causes.

As dedicated Christian stewards will you try to lead your church:

1. To use a stewardship program to help subscribe to your own church program.

2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

ANNUITY REPORT

In the presence of continued inflationary trends the Annuity Board of the Southern Baptist Convention is urging our churches and pastors to make an effort to join in one or more of the several contracts available to them. It is important for every church and pastor to make an investigation concerning one or more of the protection plans for both the church and workers.

In 1968 the Buncombe Association had 43 churches enrolled in the retirement program. In March 1969 we had 51 churches with 55 persons enrolled in the Protection Program. Many of our churches and pastors are realizing the necessity of some form of protection in case of adversity and retirement. We have 50 churches in the Buncombe Association that should consider the three-plan Protection Program now.

HIGHLIGHTS OF 1968

1. 3,451 new members in the Southern Baptist Protection Program
2. 23,714 members now participating in Plan "A", 1,538 more than in 1967
3. 18,068 churches providing protection for their pastors
4. 145 agencies providing protection for 9,849 employees
5. $173,863 given in relief grants
6. $6,543,169 paid in total relief and protection benefits
7. 3,106 applications for Health Benefit Plan, 1,677 net gain
8. 790 applications for Life Benefit Plan, 134 net gain

For the third consecutive year, the Annuity Board issued a "13th check" to all recipients of life retirement benefits. This was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. All the retirement people were grateful for the 12% bonus which came through the mail in February of this year.

For further information, write Rev. Guy Cain, 301 Hillsborough Street, Raleigh, N. C. He will be delighted to help you in any way possible.

CHRISTIAN ACTION LEAGUE

From one standpoint this has been a very good year for those who are deeply concerned about the beverage alcohol situation in North Carolina. The 1969 General Assembly wrestled with some issues which if they had passed, would have greatly liberalized the laws relating to sales, and would thereby have increased the consumption of alcohol. Every state that has adopted liquor-by-the-drink sales has seen an increase in per capita consumption in that state.

We are grateful that the General Assembly defeated the following bills:

—The state-wide bill on whiskey-by-the-drink which was introduced by Representative DeBruhl of Buncombe County. This bill was also known as the Travel Council Bill.

—The Mecklenburg County local option bill on liquor-by-the-drink.

—The Moore County local option bill on the same.

—The Baugh and Carson State-wide bill on all or nothing. This bill offered two alternatives: TOTAL PROHIBITION or
A CONTINUATION of the present system plus local option on liquor-by-the-drink.

—Sen. Jack White's bill on local option A.B.C. votes in any city or town having at least one policeman.

We are rejoicing in some of the bills that were passed:

—The implied Consent bill which calls for a mandatory loss of license upon refusal to take the test for driving under the influence of alcohol.

—A bill to increase taxes on beer and whiskey,
Tax on beer up from 3.5 cents to 5c per 12 oz. container.
Tax on whiskey up 30c per fifth and due to go up more.

The General Assembly is composed of men and women who you elect to send to Raleigh. Find out their views on alcohol before the elections. Elect Representatives and Senators who will vote dry.

From another standpoint, we regret that so many local bills were passed during this session granting local option A.B.C. elections in so many places. When a representative introduces and favors such a bill in his district, it is almost certain to pass. This is another reason care should be taken in electing representatives to send to Raleigh.

This has been a fairly good financial year for the Christian Action League. We had contributions of $24,000 on a projected budget of $26,000. We need twice this amount of money each year. Only folks like you will give it. Many churches and individuals have been faithful. We solicit other churches to put the League in the budget and send in this amount annually. Special contributions are always joyfully received. We represent you in this work. REMEMBER to pray for the work and workers, and give us your financial support.

Cecil Perry, Asso. Representative

BIBLICAL RECORDER

The year 1969 has been one of the most significant in the 136-year history of the Biblical Recorder. True, we cannot point to any spectacular gains in circulation, but each week the Recorder is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the Recorder has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark—an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the Recorder gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carrolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The Recorder should be in every Baptist home.

We will continue to speak the truth in love.

BAPTIST FOUNDATION REPORT

The assets of the North Carolina Baptist Foundation, Inc., have now reached beyond the one million ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proff that the Baptists of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

BAPTIST HOSPITAL

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are better able to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of these who are not eligible for certfication and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Respectfully submitted,
Fred Fore, Asso. Representative

HOMES FOR THE AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's presence and goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in the Homes has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging — the special offering and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches. We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older people living in our Homes. It is deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry.

I feel there is a great need for a Baptist Home in Buncombe County and have been working with several other people in endeavoring to secure funds so that we may acquire a suitable property for the purpose of establishing a Home.

It would be impossible for the Baptists in Buncombe County to provide a Home unless we provide sufficient funds to assure it being a financial success. I urge the Baptists of Buncombe County to help with this project as it is greatly needed and feel there are a great many Baptists who will aid financially in establishing a Home, or making provisions in their will for the benefit of such a project.

BAPTIST CHILDREN'S HOMES OF N. C.

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually. The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present

economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provisions will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

MISSIONARY'S REPORT

For the privilege of serving the churches in the Buncombe Baptist Association for another year, we express our deep gratitude, and for the fine cooperation and hard work of our faithful leaders. This is the ninth session to which I have made a report. Much progress has been made in the churches during these years. Our county is growing numerically. We are living in an age of changing values. In the floodtide of change we must not be swept away from the vital Bible faith and belief in the fundamental doctrines of our church. We must change in our methods as our world we minister to is changing all around us. We will continue to hold to the great New Testament principles that have made us a great denomination.

As we enter the coming decade we are going to see many changes in our churches. A new grading system will be used. New achievement guides will be adopted by all organizations. The literature will be completely changed. It will be more Bible centered and relevant to the age we are now in. This can be and I believe will be the greatest decade in Baptist history. We have been in a rut too long. With a population explosion we have lost in enrollment in all our organizations. Under the leading of the Holy Spirit, let us rise up and be done with lesser things. We must meet the challenge.

This has been a good year in our association. The Crusade of the Americas deepened the spiritual life of our members and many were brought to a personal encounter with Jesus. The membership of our churches has increased almost 1000. The stewardship record shows an increase of about $60,000 over last year with $23,000 of this increase going for missions. We have had a small gain in Training Union, but lost in Sunday School, Brotherhood and WMU. This ought not to be. Let's do something about it this year.

The entire staff consisting of Rev. W. G. Russell, Hospital Chaplain, Mrs. Alcovia McCall, Secretary of Interracial Work, Mrs. J. C. Pipes, our efficient secretary and myself must depend on your cooperation; prayer and support to do what God expects of us. Thank you for every consideration.

Respectfully submitted,
E. V. Plemmons, Missionary

AUDITOR'S REPORT

An audit has been made of the associational books and records and this reflected receipts and disbursements have been properly and accurately accounted for. Records have been well maintained, bank statements have been balanced and reconciled and accurate quarterly reports have been made to the association. The receipts and disbursement journals were checked and the ledger accounts were verified for proper posting. The annual Treasurer's report was checked and found to be correct. The association is fortunate to have as its Treasurer, Mrs. Pipes, and this audit indicated her continued efficiency and dedication to her work.

Respectfully submitted,
T. Cecil Tallent,
Associational Auditor

TUESDAY SESSION — SEPTEMBER 15, 1970 — 9:30

NEWBRIDGE BAPTIST CHURCH

15. Rev. Billy Cline called the meeting to order by reading together one stanza of "When Morning Gilds the Skies", and the congregation sang "I Love Thee" and Rev. Roy Denton led in prayer. (Mr. Cline referred to some old Minutes he had dating back to 1875 and gave some gems from these intermittently.

1. Mr. Don Burnett from the Newbridge Church welcomed the group and gave directions for the church's facilities.
2. Brother John Knight, Chairman of Constitution, brought up the proposed amendment, which he said was to be used as a guide line. He made a motion that this be adopted, it was seconded and after there were no suggestions for additions or changes, it was voted. Mr. Knight also reported that he had additional copies of "Whiskey At the Wheel".
3. Mr. Plemmons read the following letter from the Bingham Heights Church:

Dear Brother Plemmons:

This letter is to inform you, as the Associational Missionary of the Buncombe Baptist Association, that the Bingham Heights Baptist Church at Asheville, North Carolina in the Buncombe Association, dissolved our membership in the Southern Baptist Convention and also the Buncombe Baptist Association.

The Deacon board of our church joined me in recommending to our people that our membership in S.B.S. be terminated as of 8:55 p. m., May 13, 1970.

As God-fearing, Bible-believing, fundamental Christians, we find it impossible to be affiliated with Southern Baptist for the following reasons:

1. A rapid increase of modernism, liberalism, and worldliness among Southern Baptist leaders.
2. S. B. Commentary advocates first five books of the Bible are not Holy Ghost inspired.
3. S. B. leaders conferring with Roman Catholics on Wake Forest Campus about inter-religious affairs.
4. S. B. leaders permit speeches by Joseph Fletcher, Episcopal infidel and Anson Mount, public affairs manager of Playboy magazine.
5. Since these conditions seem to grow worse, and attempts to prevent liberalism have failed, we feel it is hypocritical to belong to something and preach against it. Therefore, we withdraw membership in the Buncombe Association, North Carolina State Convention, and Southern Baptist Convention.

Respectfully yours,
F. Daniel Stephenson, Pastor
Bingham Heights Baptist Church

There was a motion and second to accept the withdrawal. Mr. John Knight said it was painful to have one withdraw in this fashion and called upon all to pray for them. They may at some future date want to return, as he had known of others to do this. There was some discussion, but the question was called and the motion was voted.

18. Mrs. Helen Manis presented the report from the Baptist Children's Homes and turned the time over to Mr. Hugh Starnes, Regional Superintendent. He spoke primarily about the new Broyhill Home at Waynesville and also the new Maternity Home which would have open house the third Sunday in October. He stated there were 800 boys and girls in the care of the Baptist Children's Homes and that the Broyhill Home is about half way along.

19. The Homes for the Aging was presented by Jack Joyner, who has great interest in establishing a home in Asheville, and has some wills to this effect. Rev. Bill Poole, Superintendent of the Homes spoke briefly.

21. Rev. Gordon Maddrey, Secretary for the Baptist Foundation, spoke briefly about this phase of our work.

24. Rev. E. V. Plemmons was recognized for the Associational Program. He referred to his report in the Book of Reports and pointed out some of the highlights of the past ten years, this being his tenth year with the Association. He then recognized the leaders of the organizations as follows:

1. Robert Clayton for the Sunday School.
2. Mrs. Orville Myers for the Church Training, and she gave her time to Rev. Ronnie Owen, pastor of Mt. Carmel Church, who gave his testimony of what Training Union had meant to him. Mr. Plemmons also said that there were fourteen in his church who belonged to the BYPU and all these were in some kind of full time service now.
3. Udean Burke reported for the Music Ministry, and gave dates for the coming year.

25. The Hymn "He Keeps Me Singing" was sung by the congregation.

4. Pauline Snelson reported for the Woman's Missionary Union and gave dates for leadership clinics.
5. Mr. Bert Starnes reported for the Baptist Men and led in prayer after which he presented Mr. Don Taylor, who took a few minutes to tell of their work.
6. Mr. M. H. Cox gave the report for the Library Council. He said there were 39 churches without libraries and each of these could have one. Also that they have 100 books ready to be put in the library for the Home for Un-wed Mothers.

7. Rev. M. D. Smith presented the Treasurer's Report, the Proposed Budget for 1970-71 and read the Auditor's Report. He made a motion that these be adopted, it was seconded and voted.

26. The Moderator then presented Rev. Bob Hamilton, pastor of the Bent Creek Church, for the annual message, after special music by Rev. and Mrs. David Cobb. They sang "Without Him" and Rev. Hamilton read from John 16 and brought a very dynamic message on the ministry of the Holy Spirit. He led in prayer. The Congregation stood and sang "Breathe On Me". Rev. Paul Justice gave directions for the noon meal and Rev. Virgil Holloway led in thanksgiving. (156 were served a delicious meal).

TUESDAY AFTERNOON SESSION

27. The afternoon session was opened with the singing of "I Love To Tell the Story", and prayer led by Rucker Burnette, pastor Ridgecrest Church. (Moderator Cline read from an 1878 Minute that the names of the delegates were asked to stand and were marked out if they were not present).

28. Rev. Guy Cain brought the Cooperative Program Report, after which the Moderator read again from 1875 Minutes that six specials were received.

Edgar Ferrell be elected as Vice-Moderator. This was seconded and voted.

30. Mr. Bert Starnes reported on registration: Messengers — 250, alternates — 18, and visitors — 184, making a total of 452 registered.

31. Rev. Wesley Sprinkle, the oldest member present along with all retired ministers were asked to stand and be recognized. Words of appreciation for these were spoken by the Moderator.

32. Rev. Roy Denton, Chairman of Time, Place and Preacher, gave the following report: "Your Committee recommends that the Association meet with Edgewood Baptist Church Monday night, September 13, 1971 and with Morningside Church Tuesday, September 14, 1971. That Lester Crayton, Pastor of Gashe's Creek Baptist Church, bring the annual message and Neils Larson, Pastor of Enka Church, be alternate speaker." Committee — Jimmy Swinson, Ray Billings and Lee Roy Denton, Chairman.

33. Rev. John Hicks was recognized for promotion of the WNC Bible Conference to be held September 28 - October 1 at Asheville First Baptist Church. He and Rev. Plemmons gave the details of the meeting and urged promotion by all the churches. All the books of the Bible to be used in the coming year in Sunday school would be taught, there would be qualified teachers for all these and there would be classes for all the divisions with provisions for the children. The Sunday School Board, the State Sunday School Department would be helping in bringing the teachers and the finances. The cost to us is estimated to be around $1,000.00 and each church is asked to give 40¢ per resident member. Mr. Hicks had prepared for pre-registration for each church.

34. Rev. Nane Starnes, Chairman of Christian Higher Education referred to his written report, and used his time to discuss the five reasons given by the Bingham Heights Church for their withdrawal. These were faced and answered seemingly to the satisfaction of all present. Rev. Starnes stated he would like to invite the pastor, Rev. Daniel Stephenson, to send out his members to many different churches here to hear the pastors, and then judge if these have gone modernist. He also stated that the trend of the Southern Baptist Convention is more toward being conservative than in many years.

35. Rev. Mack Burgin brought the Resolutions Committee Report as follows:

Your Resolutions Committee brings the following report: Be it resolved that the eighty-ninth session of the Buncombe Baptist Association affirm our sincere appreciation:

Pipes, for his inspiration over the past years and our thanks to God that he has spared him to be a continued inspiration to his friends in the Buncombe Association, and that our Moderator, Rev. Billy Cline, send a copy of this resolution along with our love to Rev. Pipes.

Be it further resolved that we reaffirm our dedication to return to our local churches, and church communities, to fulfill the Master's will for our lives and those of our churches.

Mack Burgin, Chairman

Neils Larson

36. A motion was made, seconded and voted that all of the Reports as written in the Book of Reports be accepted.

37. "Now Thank We All Our God" was sung by the congregation after which Rev. John Knight led in the Memorial Service. He quoted the 23rd Psalm, and after appropriate words concerning those gone before us this year, all stood in silent prayer for a moment.

38. Rev. E. V. Plemmons introduced Rev. N. M. Avery, pastor of Hill Street Baptist Church, for the closing message. Rev. and Mrs. David Cobb brought special music — "He Touched Me", and Rev. REPORTS

SUNDAY SCHOOL

The 1969-70 Sunday School year has been a very important year and we feel a very successful year in our Sunday School Work.

With the new program and new curriculum which begins October 1st, 1970, we have been very busy in trying to prepare each Sunday School for the new year.

We feel the organizational change and the change in our curriculum will help us to reach more people for Christ and offer a better method of presenting the Biblical Revelation than before.

We would like to express appreciation to the Sunday School Officers for the good job they have done as they gave of their time and efforts freely to promote this work. We also appreciate the churches that backed each clinic and conference with their presence.

During the year our Vacation Bible School clinics were attended by nearly 500 people. We had one Association Wide Clinic which was well attended. We had 4 district "Shaping the 70's" Clinics which 65 churches attended.

Our Sunday School Workers went into about 20 local churches to assist in the local church.

Your Sunday School Workers stand ready to assist any church that requests help, and request your prayers and support for the coming year.

Robert G. Clayton

Director of Sunday School

CHURCH TRAINING

Church Training — A God-given assignment and the door to developed talents.

"Dimensions of Courage," a film on the 125th anniversary of the Southern Baptist Convention, was shown at our annual "M" Night Meeting. Our attendance was 717 with forty-nine churches represented and a total of forty-one pastors and thirty-nine directors present.

Our Youth Night meeting was well attended. There were 350 in attendance and thirty-three churches represented. The young people voted to adopt as their theme "Buncombe's Youth Together for Christ".

Thirteen juniors participated in the Junior Memory Work. Dale Fisher from Victory Church and Mike Ponder from Riverside Church advanced to the State Speakers' Tournament at Greensboro. Mrs. Jack Ferguson from Hominy Church represented our Association in the Regional Adult Scripture Reading.

The Church Training Department conducted five "Shaping the 70's" clinics. Ninety-seven people attended these clinics and fifty-one churches were represented.

Many and various ideas have been given us to aid in a more extensive Church Training Program. The challenge of the 70's is great!

Mrs. Orville Myers,

Church Training Director

AUDITOR'S REPORT

The books for the fiscal year July 1, 1969 through June 30, 1970 has been audited. Accurate accounts of receipts and disbursements have been kept, and accurate reports have been made to the Association. In my opinion the books are in order and are maintained in an accurate, efficient manner.

The annual audit consisted of the following:

1. Bank statement reconciliations were verified.
2. Cash receipt book totals verified with bank deposits.
3. Traced receipts from cash receipt book through cash journal through ledger postings for each church and account.
4. Checked totals of cash journal columns with posted amounts to ledger accounts.
5. Disbursements traced from cash journal to ledger accounts and totals verified.
6. Treasurer's report to the Association checked and verified.

WOMAN'S MISSIONARY UNION

The 1969-70 WMU Watchword, "Our love should not be just words and talk; it must be true love, which shows itself in action" (1 John 3:18 TEV), has been a challenge to all WMU women. Although much time has been spent in conferences and clinics preparing for the changes in the 70's, we have tried to show our love through action.

In August several associational WMU Officers attended the State WMU Workshop in Hickory.

A called meeting of the SMU Council was held September 27 with 14 members present, to plan the Leadership Conference and launch plans for the year.

The Leadership Conference October 20 at West Asheville Church was attended by 176 women.

The WMU section of the State Shaping the 70's Conference held at the First Baptist Church in Asheville January 22-23 was attended by several of the Associational officers.

The four associational Shaping the 70's Clinics were attended by 47 of the 61 churches with WMU organizations. The other 14 churches were contacted in person or by phone and materials were given to them.

The Associational WMU was represented at the State WMU meeting in Greensboro, March 10-12.

Two outstanding meetings of the year were the Mission Study Institute on January 19 at Grace Baptist Church and the annual associational WMU meeting at the Biltmore Church on April 27. There were 160 present at the annual meeting

Four quarterly WMU Council meetings were held and a quarterly associational WMU NEWS LETTER was mailed to more than 200 people. The associational WMU by-laws were studied and revised to fit the new program for 1970. A scholarship of $100.00 was given to Clifton Jones (Negro), who is studying for the ministry at Southeastern Seminary and $100.00 was given to help with VBS work in Buncombe Association during the summer of 1970.

With a full slate of Associational WMU Officers, the assurance of God's leadership, and the cooperation of the pastors and women of the churches in the Buncombe Association we are looking forward to a great year for our Lord in 1970-71.

"Grant us wisdom, grant us courage, for the living of these days".

WMU Director

LIBRARY REPORT

We are happy to report that during this last year we were able to help establish the following libraries in our Association: Edgewood, Sunrise, Elk Mountain, Hill Street and Unwed Mothers Home. Also, other ministers are getting ready to start libraries in their churches.

A goodly number of our librarians attended the Library Conference Week at Ridgecrest and the Library Convention held in Charlotte, North Carolina, both of which were very worthwhile for all librarians and library workers.

We are still giving **free** twenty-books to help get a library started in any church. Also, we are helping the beginning library get set up by assisting with the classification and cataloging of the books.

It has been said that a church librarian stands next to the Pastor in many ways. If this be true we should consider the work of the librarian as a call from God and seek to give it our best. We should tithe our time as well as our money. This is a good way to teach our children of today who will be our leaders of the future. Therefore, it is up to us to do all we can to see that they grow in grace and knowledge of our Lord and Savior Jesus Christ. If they can get good Christian books it will keep them from reading trashy literature found on news stands and in drug stores. A library in your church will serve as a Resource Center for this type of books.

Is the Lord calling you to be a librarian in your church? He gave some three talents. They used them. To others He gave two talents. They hid theirs. Think about it and pray about it, then do what He tells you to do.

Respectfully submitted,
M. H. Cox,
Associational Librarian

BROTHERHOOD REPORT

Increased interest is being shown by Buncombe Baptist Men. The Brotherhood and Royal Ambasador Clinics in four of the churches the first of March were well attended.

Then again in June a most effective one-day clinic on Royal Ambassador work was carried on by Luther Osment, Edward Yarborough, and two other State Approved Workers.

The men of the Swannanoa Baptist Church continue to work with the young people at the Juvenile Evaluation Center, and men from Westwood Baptist Church have established a Sunday School Class at the Evaluation Center, — that is good.

During the year our men have taken part in 15 lay-led revivals. In many instances revival fires burned and the Spirit really came down. We closed out the year with one in the Queensberry Baptist Church in Nottingham, England, and this one was most rewarding.

Our work with the men at the Craggy Convict Camp is improving each year. In addition to the Sunday School Class on Sunday morning another group of men go down on Wednesday evenings. There have been about 10 or 12 baptisms during the year. They are calling the French Broad River the River Jordan. One of our graduates entered the Fruitland Bible Institute last month to prepare for the ministry. Praise the Lord! Hallelujah!

BIBLICAL RECORDER

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the **Biblical Recorder** as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the **Recorder** was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A **Recorder** editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the **Recorder** has had in the past year.

Looking to the future, the **Recorder** promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the **Recorder** to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The **Recorder** is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

HOSPITAL CHAPLAIN

For more than three years it has been my privilege to serve the Buncombe Baptist Association as Hospital Chaplain. Much of the work of the minister is of necessity with the sick and suffering, and I feel that in this way I am extending my ministry beyond retirement from the pastorate.

When you stand by the bedside of one who is ill, away from home and loved ones and friends, or who is about to undergo surgery, or with the family of a sick child, or the family who has just lost a loved one, and offer a prayer for them and try to comfort them in the name of Christ, and see the grateful response on their faces, you feel like offering a prayer of thanksgiving to God for the privilege that is yours.

I sincerely feel that this is a ministry that is needed and appreciated by the sick and suffering. Thank you for letting me perform it. I would like to do it better.

Respectfully submitted,

W. G. Russell,
Hospital Chaplain

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes — Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of $168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additional $80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

Jack Joyner,

Assoc. Representative

BAPTIST HOSPITAL

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the out-patient clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of this amount — $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering. To date this year 74 churches in our association contributed $9,644.04 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

Assoc. Representative

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

We want you to become thoroughly acquainted with the Baptist Children's Homes of North Carolina. The more you know about the agency, the more you will appreciate its daily work and ministry. You would be thrilled to see the progress our boys and girls make as they emerge out of difficult and unfortunate circumstances over which they have no control. Through this ministry you can find personal joy and excitement in helping people.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two buildings. Two cottages for children are now under construction and are scheduled to be ready for use next spring. When the campus has been completed provision will have been made for four cottages for children, an administration building and a home for the superintendent.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

Mrs. Helen Manis,

Assoc. Representative

EVANGELISM REPORT

The major concern of a New Testament church is evangelism. The pendulum of time in recent years has moved away from this major concern. However, there are now glowing reports of a new emphasis on evangelism. The new stress is not on mass meetings, but on person-to-person witnessing. The Division of Evangelism is now preparing new material to make personal witnessing more effective.

In these days the pastors of our churches need to have a more vital concern for equipping their people in the area of personal witnessing. The Pastor is the Shepherd of the Flock and it becomes his responsibility to lead his people in this area. The Preacher needs to be a soul-winner.

New material that each church will be receiving lays stress on lay and student involvement. It was the lay people in the New Testament that was scattered abroad witnessing unto Jesus.

Furthermore, there needs in our day to be a renewed emphasis upon the Holy Spirit. "It is not by power nor by methods but by my Spirit says the Lord." There can be not witness apart from the witness of the Spirit to and through us. It is the Spirit's place to convict the world of sin, righteousness, and judgment. The Christian is to be the instrument in His hand. The Book of Acts bears witness to the place of pre-eminence the Holy Spirit should have in evangelistic work. The campaign carried out at that time was under His Lordship and Leadership. May we commit ourselves to His design and desire in the area of witnessing as well as all areas of life.

Bob Hamilton,

Chairman of Evangelism

BAPTIST FOUNDATION

The fact that the North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS

THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION HAS HAD A MOST SUCCESSFUL YEAR, is on the move, and is rendering service to individual Baptists in a concrete way.

ANNUITY REPORT

There is not an organization in the Southern Baptist Convention making a more desperate effort to be helpful to the churches, the pastors, the staff and denominational workers than the Annuity Board. The Board has been and is continuing to be of great help to the widows and children where the minister has had to answer the call of the inevitable. The Board has been of inestimable help to many of our churches in the hours of tragic need. There is no way of expressing what this organization has been to our retirees and disabled.

The Annuity Board now has protection programs for a minister, church or denominational employee that will cover all his needs. Since 1918 the Annuity Board has paid $73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs administered.

The Buncombe Association and 53 Churches are participating in one or more of the Annuity Board's Protection Programs as of August 5, 1970. Each of our churches would do well to get in touch with Rev. Guy Cain, 301 Hillsborough Street, Raleigh, North Carolina, or the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201 for full information about the reasonable contracts offered.

ASSOCIATIONAL BOARD AND EXECUTIVE COMMITTEE REPORT

The Associational Board met July 21, 1969 at West Asheville Baptist Church. Reports were heard and committees were appointed. A request for aid to Reynolds Baptist Church in the amount of $2,500 was approved. It was voted to send Rev. and Mrs. Plemmons on the Holy Land trip, and a committee was appointed to be responsible for raising gifts from the churches.

The October quarterly meeting was held at West Asheville on the 20th. Reports were heard. It was voted to give the Finance Committee authority to purchase an off-set printer, trading the mimeograph on it.

The Executive Committee met in a called meeting November 3 at First Baptist Church to review the application for aid for the Lakewood Baptist Church. It was approved.

The Executive Committee was called together January 12 for the purpose of reviewing the need for a Baptist Center Survey in the Cumberland Avenue Community. It was agreed that there was a need for this type of ministry, and voted to ask the State to help.

At the January quarterly meeting at Grace Church regular reports were read. It was voted to nominate a Christian Life Committee to study these social issues and help the association to act from an offensive position.

At the April meeting held at West Asheville regular reports were read. The Constitution Committee presented an amendment relating to the work of the Christian Life Committee. This Committee to be Called Christian Life and Public Affairs. The amendment was accepted to be presented at the annual meeting. Also the committee was named as an Associational Board Committee until the regular annual meeting. Those named were Dr. Cecil Sherman, Chairman, Rev. Harold Savell, Shelby Horton, James Baley and Keith Snyder.

MUSIC MINISTRY

The Associational Music Committee continues to develop an associational music-education program that will benefit every church, promote our state music program and provide opportunities for study, singing and fellowship.

During the past year the following activities were sponsored by the Music Ministry:

An Organ-Piano Festival was held in October at the Grace Baptist Church in connection with our State Music Department.

Mr. Gill Lowery directed the music for M Night. The choir was composed of adult choir members from many of our churches.

Regional Choir Festivals sponsored by our State Music Department were held at the Merrimon Avenue Baptist Church and the West Asheville Baptist Church. Most of the choirs participating were from Buncombe Association. Later in the year the junior choirs went to Mars Hill College and the youth choirs went to Charlotte for their state festivals. Several youth groups also went to the All State Youth Choir Festival in Winston-Salem.

The third annual youth retreat was held at Ridgecrest, May 15-16. Mr. David Cuttino, Chairman of the Music Department of Baptist College in Charleston, S. C., was our guest director. There were 300 boys and girls in attendance from 12 of our churches. We are grateful to Mr. Charles Crocker and Mr. Udean Burke who served as chairmen of this retreat.

A Music Reading and Choral Clinic was held at the Merrimon Avenue Baptist Church. Dr. Peterson representing the Lilleans Music Publishers led the clinic. The emphasis was on evangelistic music and choral technique.

The Junior Music Camp was held at the West Asheville Baptist Church on August 10-13. Mr. Don Wellborn organized the activities of the week. We were happy to have members of the Mud Creek Baptist Association with us in all the activities. Our enrollment was 136 boys and girls and 19 adults representing 21 churches.

The Ministers of Music meet each month to plan and discuss the Buncombe Baptist Association program. Our joy is to provide meaningful opprtunities of training and service.

INTERRACIAL COOPERATION

Buncombe and Mud Creek Baptist Interracial Cooperation is a unique and interesting program. It would be difficult to find a relationship equal to it in the state of North Carolina. This relationship has been most meaningful and the accomplishments great for the past year. Each of you who have contributed have had a definite part, some of you have paid, some have prayed and others have become personally involved where the action has been. The director deeply appreciates all you have done.

The Mud Creek Association continues to function and develop through its associational office, which is located in the Rock Hill Baptist Church on Caribou Road. A news letter goes out each month to pastors, S. S. Directors, Training Union Directors, and WMU Presidents of thirty seven churches.

Twenty adults attended the State VBS Clinic at Wingate last January. These in turn led two associational clinics in Mud Creek Association and one in the Ebenezer Association at Shelby, North Carolina.

There were four local girls, who are college students, sponsored by the Home Mission Board this summer. The Department of Interracial Cooperation of the Baptist State Convention sponsored seven student workers and Mrs. Gertrude Forney for ten weeks. The Buncombe Association paid one student worker and the Mud Creek Association one for ten weeks. One fine Christian boy was on the team, who served four hours for five days a week for eight weeks in a week-day program and part of the time as pianist and taught in VBS at night. Some of the college students would work eight hours on a secular job and three hours in VBS. Their devotion to the cause of Christ in their struggle for money to go on to college is worthy of admiration. Four of the students were involved in a week-day ministry. The program was structured around Bible study, Music, piano, art, crafts, sewing, knitting and recreation. Much of the work was done by volunteer workers, especially in the Rock Hill Church and Mt. Zion Church.

About twenty children thoroughly enjoyed the Junior Music Camp at West Asheville Church. Two attended Home Mission Week at Ridgecrest.

The 70's Conference was held at Rock Hill Baptist Church with twenty-five churches represented and 211 were registered. Administering the Bible Teaching Program and all the new division Sunday School textbooks were taught during the three night sessions. The Rev. N. M. Avery taught Preparation for Marriage and had 55 teenagers present.

Especially, during the summer many needs have been discovered and it is hoped that something can be done about them through your continued cooperation and concern.

We, especially, thank First Baptist, Bent Creek, Skyland churches and Mrs. Pipes S. S. Class at Calvary for their financial support for VBS materials. Eternity will only reveal the good done. There were 19 professions of faith in one church, which had never had a VBS before. May God keep the good work going through you.

Respectfully submitted,

Alcovia McCall

CHRISTIAN HIGHER EDUCATION

What is Christian Education? Our answer is that it is the search for truth in a Christian atmosphere, accepting certain Christian Principles as facts, and with the purpose in mind of using truth discovered to build a Christian society. This is idealistic but we make no apology for being idealistic. If the Christian community is not idealistic, where will we go? Our great task is to produce men of character and principle. Our society is not safe in the hands only of men of skill. Skills are neutral, and can be employed for good or ill. The task of our colleges is to put skills into the hands of people who can be trusted to think and use them to enrich their fellowmen. We hope to send from the walls of our colleges some zealots, with stars in their eyes who are going to change the world for good.

The democracy of which we are a part puts some important compulsions on us. If our destiny is put into the hands of the people — as it is, then those people must be informed and people of good will. The big word in our world today is freedom. We may lose the richness of its value if we do not train people to use it rightly. People who aren't worthy of freedom can't retain it, and the only people who are worthy of it are the socially sensitive. They must have developed right attitudes and proper human relationships and values. There must be moral integrity and a sense of the sacredness of human personality.

These are the kind of things that our seven Baptist colleges in North Carolina are committed to doing. They need our helpful support. If we have the proper leadership in our churches we must look to these colleges. In them Baptists have a tremendous investment.

Last year we had enrolled in these colleges 12,353 students, divided thus: Campbell — 2,306; Chowan — 1,333; Gardner-Webb — 1,461; Mars Hill — 1,294; Meredith — 1,142; Wake Forest — 3,210 and Wingate — 1,607.

Nane Starnes, Rrepresentative

COOPERATIVE PROGRAM REPORT

In a day when many major denominations are cutting back their missions programs, we are pleased to report that Southern Baptists are making large advances. For instance, in the last seven years we have gone from $8,452,410 to $13,836,619 given to foreign missions through the Cooperative Program. Similar increases could be shown for all phases of our work.

Concern for People is the Cooperative Program theme for the year 1970-71. North Carolina Baptists have a goal of $7,000,000 for the Cooperative Program. Of this amount $2,333,800 or 33.4% will go to Southern Baptist Convention causes. During the year the churches of Buncombe Association gave $283,147 through the Cooperative Program.

To help the churches of Buncombe Association grow in support of Cooperative Program work we recommend:

1) That our churches keep in mind the inflationary trends of our economy and plan to increase their contributions to missions.

2) That every church observe Cooperative Program Month in October.

3) That every church observe Cooperative Program Day in April.

4) That contributions through the Cooperative Program be on a percentage basis rather than a fixed dollar figure. To implement a program of percentage increase to world missions through the Cooperative Program we suggest:

   A. For churches giving under 20%, advance 2% each year up to 20%.

   B. For churches giving 20% but under 30% level, advance 1% each year to 30%.

   C. For churches reaching the 30% level, advance ½% each year until the objective set by the church is reached.

HISTORIAN'S REPORT

The reports of the 82 churches received (12 short) have been studied with a great deal of interest. They certainly reveal both quality and quantity as to the work being done in our churches for which we should be most thankful. With few exceptions, all of our churches held one or more revivals (1 church reported 4) during the past year with over 850 baptisms. We certainly hope the other reports when they come in will show enough baptisms to equal or even better our report for last year. Our records also show that over one thousand members were received by letter, statement or otherwise which indicates that many of our Baptists believe in our church covenant that we will move our church membership when we move to a different community. These are to be commended for far too many are being reported as non-resident members (1 out of 5).

The reports received so far indicate that over 21,000 are enrolled in our Sunday schools with an average attendance of about 50%. Many of the absentees have good reasons but far too many have no reason or even a good excuse. Too many of our own church members (about one third) are not enrolled in Sunday school and are not receiving the Bible instruction they need.

71 of the 82 churches reported a Vacation Bible School with an enrollment of over 8,500. We look forward when every church will report a Vacation Bible School for this one thing adds much to our church pregram. We should be interested more also in helping with a Vacation Bible School in our churches outside of our own associatic

The total value of all our church property including pastoriums is well over 12 millions with an indebtedness at the close of the associational year of only 2 million with 32 churches reporting no indebtedness.

Only 5 churches reported no contribution to any mission endeavor, but the other 77 churches reported a total of almost a half a million to all mission causes. However, this amount is far too little when we note that over 20 millions were spent on local expenditures.

The following churches of our association reported items of historical interest:

Antioch—A new library.

Bent Creek—Completed pastorium, Rev. Roy Cable called as Associate Pastor and Youth Director, Activity bus purchased, outside of church building painted. Youth choir entered a float in the Asheville Christmas parade, group of young people and adults conducted a Vacation Bible School at a Home Mission Church in Johnstown, Pa.

Beverly Hills—Rev. W. A. Snyder resigned to become pastor of Wedgewood Church in Charlotte, Drive-In church services started at nearby shopping center, Sunday morning Church Training program begun.

Calvary—Church auditorium, staff offices and library were air-conditioned at a cost of $14,731.00. David Brookshire was granted a license to preach the gospel on November 6, 1969.

Chestnut Grove—Two new deacons, Cecil Banks and Roy Robinson, were ordained.

Edgewood—Dedication services held for re-modeled sanctuary and ground broken for new parsonage.

Fairview—Construction of new parsonage begun.

Flat Creek—Parking lot paved.

Grove Stone—Purchased organ and 2 pianos.

Hominy—Rev. M. D. Smith retired after 24½ years and Rev. T. Noel Cooper was called as pastor.

Merrimon Avenue—Rev. A. C. Bryant called as Associate Pastor.

Starnes Cove—New Allen Organ purchased.

MISSIONARY'S REPORT

This being my tenth report to the association, I wish to share some of our accomplishments during this decade.

We have baptized into the membership of our churches 9,845.

Our annual contributions have increased from $1,617,829 to $2,689,-243. Our total contributions for this decade has been $21,316,228. Ten years ago we gave $255,823 to mission causes, last year we gave $495,-650. For the decade we gave a total to missions of $3,843,395.

Seven churches have been added to our fellowship.

Mrs. Alcovia McCall has been employed to serve as interracial secretary to work with Mud Creek Association.

A Baptist Chaplain has been employed to serve our hospitals in Asheville.

The prison ministry is well established with the Brotherhood in charge.

We have had two World Mission Conferences bringing into the association our missionaries from mission fields.

A Sunday school enlargement campaign was conducted in cooperation with the Negro churches of the Mud Creek Association.

Central and district training schools have been held to prepare our leaders and teachers to do a more efficient work for our Lord.

Shaping the 70's clinics have been held to prepare our churches for launching the program for the coming decade.

A new Baptist Building has been constructed with offices for the staff of the association and the Baptist Children'ss Homes of North Carolina. The building includes rooms for conferences, literature, equipment and a kitchen.

Property has been purchased for a Maternity Home for un-wed mothers which will be opened next month. This home will be under the supervision of the Baptist Children's Homes.

Let us not rest or be satisfied with our laurels, but face the coming decade with zeal and determination to do a better job. As our world changes about us, we must change to meet the new challenge. Through the eyes of our Lord and with his compassion and concern we can meet the challenge.

Respectfully submitted,
E. V. Plemmons
